

The Southern Indiana Region of the Sports Car Club of America (SIR/SCCA) is a 501(c)(3) organization.

Our primary source of income is event entry fees. Secondly, we receive a stipend from membership fees paid to the SCCA.

Our expenses are primarily activity related (sanctions, insurance, site fees, and event consumables). We also spend time, talent, and treasury with an annual pavement repair project improving our primary autocross event sight.

Our month-to-month liquidity is reported at monthly board meetings and again at membership meetings. Those reports are shared through the publication of meeting minutes in our monthly newsletter, [Pit Stop](#).

For a copy of the most current Form 990 as filed with the IRS, email [treasurer@sirscca.org](mailto:treasurer@sirscca.org) with your request or make the request via USPS mail addressed to:
