[Motorsportreg.com](https://motorsportreg.com)

Last Revised: June 12, 2020

# SIR Autocross Event Registration

All SIR (members and weekend members) autocross event registration must be done online and in-advance through [MotorSportReg.com](https://www.motorsportreg.com) .

SIR event personnel will not register entrants on site. They will not handle membership cards, driver's licenses, credit cards, or cash.

Regardless of the distance traveled or whatever, you will not run if you have not pre-registered online.

1. Members should establish a MotorSportReg account and enter vehicle, personal, and charge information.
2. SIR's MotorSportReg page will include a text box to enter driver's license expiration date.
3. The registering participant's SCCA membership will be validated through the SCCA.

The SIR COVID-19 guidelines can be found on our website: <http://www.sirscca.org/covid-19-solo-events/>
