

The PitStop!

SCCA Southern Indiana Region Monthly Newsletter November 2005 Volume 52 Number 11

November REport

This year seems to have gone by quickly. We wrapped up the autocross season with our "Closing Bookend" on October 16th. Man oh man was it a beautiful day! We closed out the T-S-D rally season with the Coen rally on October 30th. Both events factored heavily in the year-end trophies. The Berry Point competition is tight again this year. Our autocross, rally, and Berry awards will truly represent a full year of activities as nobody has a lock on any of the top positions. That's a wonderful reflection on both the competitiveness and participation by many in the club. Don't be thinking that our year is done though. We are not finished!

The November membership meeting is the last regular one of the year. We will present trophies for several events and top the evening off with electing our 2006 officers. We have had some difficulties in securing a full slate of candidates. As of the PitStop deadline, the plan is that if there isn't a ballot in this edition of PitStop, you should request a ballot by phone or e-mail or vote in person at the November membership meeting.

We're down to the last "with car" event this month. It's the famed "Food Rally" by Mike Freeman and Tom Bootz. What a way to end the year! Last year it was an "Iron Chef" theme. This year, we just don't know...yet. I am sure Mike and Tom will be sharing some insights at our membership meeting (Tuesday, November 8th). Even as one who does not cook I can attest to the fun and good spirited (pun intended) competition shown through the culinary arts displayed at past food rally events. From fine Scotch to "acquired taste" beverages to fine wines and from simple entrées to regional specialties to bachelor fare the food rally is a great display of the ability to cook a fine meal -- or not -- with engine heat. The rally is a hare and hound type route so that's fun by itself. Add in the cooking with engine heat and presentation to the judges, this is more of an adventurous catering affair than a gimmick road rally. Whether you are a fan of rallies or not, the food rally is "must do" event. It's great fun. If you've not participated in the past, you have got to see this to believe it.

Plans are set for the annual Awards Banquet and Holiday Party. \$27.50 per person will give you your choice of chicken, beef or salmon. The date and location are set -- the evening of Friday, December 2, at the Rolling Hills Country Club.

Hmm. I wonder if there is still time this year for a final activity to brighten a winter evening? Now what could we do?

Zoom-Zoom, Wup-Wup,

Notes and Such...

At the club meeting nominations were taken for 2006 Board members. We are missing a couple of names in key spots, secretary and newsletter editor. I am hoping some brave souls will step up and offer their services lest we have to scale back on the way we communicate to the club. Without a newsletter editor it's possible that this newsletter may become a barebones document with only the RE report, contact list, schedule and results page. A document by committee perhaps. We'll all see what happens.

Circle December 2nd on your calendar because it's our annual awards banquet and Holiday party and the cost will be \$27.50 per person. The meal fare includes 6 oz beef filet, chicken Marsala, grilled salmon w/dill butter, salad, vegetables, dessert and two drink tickets. Have cash available for any additional drinks. 6:30 PM for cocktails, 7:00 PM for dinner all at the Rolling Hills Country Club. Contact Gary Heck and give him your money and meal selection. 812-858-9919

Rallys – Gary and Cathy Heck put on the October 2nd rally and a fine one it was. Bob Sonntag and Terry Davis were the A class winners with a points total of just 34. They missed check point #2 by only 3 seconds. Class B winners were Glenn and Georgina Wior. They put together a score of 114 for the almost 70 mile course. With only one point event to go there is a 3 way tie for first in the Rally points. (cont.)

The last point rally is on October 30th. The Coen Halloween Rally starts from the Subway Sandwich shop just north of I-64 on Highway 41. Normal times apply. Don't miss the always creative and entertaining Halloween rally and see who will win the Rally Trophy this year.

Autocross – The last autocross of the year was held at Lawrenceville and the results would determine the Autocross Champion for 2005. Tim Brown and Paul Dornburg were separated by only 32 points going in and each needed good runs to win the trophy. Tim did all he could winning the street tire class and garnering the 1000 points that go with it. Dornburg, on the other hand, had only one clean run out of 6 but still managed to be fast enough to get third overall in the race tire class and take home 986 points which kept him just 18 points in front of Brown. Paul will get his trophy at the December Awards Banquet.
