SCCA Southern Indiana Region Monthly Newsletter May 2006 Volume 53 Number 5

May REport

First, I want you to keep former RE and long time club member Ken Andrew in your prayers. He's had a small portion of one lung removed and is looking at another surgery on one of his kidneys as soon as he recovers from the lung surgery. Here's hoping my co-driver is back in the seat of the 911, soon.

Our road racers will all be in action the first weekend of May with Mr. Bootz and Mr. Tipsword racing at Indianapolis Raceway Park while Mr. Schonberger goes to Gateway International. I hope they'll be at the club meeting to give us a full report.

The first Rally is Sunday May 7th. Affectionately know as the Ice Cream Rally it covers the roads of eastern Daviess County Ky from one Dairy Queen to another. Will the dynamic duo of Davis and Sonntag begin their defense of the Rally trophy with a win?

Since the last Pit Stop we've had a number of events the first of which was our Snow Buster Fun autocross held in the Centre parking lot in Evansville. 37 drivers showed up to knock the cobwebs loose on the tight, hilly parking lot course. Gene Young laid out a nice course that swooped through the parking lot. The Kart boys, Kent Schonberger and John Esche battled for Fast time of the day honors with John taking the top spot.

Our next autocross is our "Opening Bookend" event at the Mid-American Air Center near Lawrenceville, IL on May 21, the Sunday after Mother's Day. Pre-register at myautoevents.com for a \$2.00 savings on the entry fee.

The Patch Parties are over and for the first time we patched on 2 consecutive weekends. The first weekend we cut around all the bad spots and excavated and filled half of them. The next weekend we excavated and filled the remainder. The use of electric jack-hammers has really allowed us to fix more bad spots than in the past. It used to be that the number of spots we fixed was directly proportional to the strength of the people wielding the pick axes. Now, a few somewhat strong people can do double the work of a few strong pick swingers. Thanks to everyone that showed up on a beautiful day for concrete work. Missing from the Patch Party 1 picture are Jim Cannon and Southern Illinois member Bob Rehklau.

See you at the membership meeting.
