

The *PitStop!*

SCCA Southern Indiana Region Monthly Newsletter August 2006 Volume 53 Number 8

August REport

I usually don't have too much trouble writing this article but this month was especially difficult. I started this column about 5 times before finally putting together some words that made sense, so bear with me.

We've not had any events since the last newsletter but some of us participated in a Southern Illinois autocross in Lawrenceville on June 25th. The other SIR guys put on the event for 28 drivers. I've tried to remember exactly who was there from our club but my mind was erased after driving Dr. Mario's GT3 Porsche. What a beautiful beast! I'm going to try it again at the July Lawrenceville autocross/car show. I can't wait.

Nancy Andrew graced our club meeting with her presence and thanked us all for the kind words about Ken. I hope she enjoyed being there as much as we enjoyed having her there. On the drive back to her house she offered to host our board meetings. "I make good popcorn", were her words. We might just take her up on that.

The next autocross event is Sunday, August 6th at the Mid American Air Center in Lawrenceville, our mid-year event. Then a couple of weeks later we have our second Owensboro autocross. At the Owensboro event we will attempt to have Tech and Registration done earlier so we can concentrate on getting the course setup after the plane leaves. We'll start Registration and Tech at 10:00 and try to be done by 11:30 AM so we can get the course set up. Let's hope there's no rain this time.

A week later the Southern Illinois group hosts another autocross at Lawrenceville. That would be the 27th of August. Circle those 3 dates on your calendar.

The September club meeting is the second Tuesday of the month unlike previous years where it was held the third Tuesday because the Solo Nationals were held the second week. This year's nationals are going to be held the last week of September so we don't have to move the club meeting.

Our road racers are having good seasons, by my estimation. Barry got his Tiger sorted out and finished his last event. Tom Bootz continues to gather experience in his DSR and Tom Tipsword continually balances the cost of getting to the race track versus the on track "fun" factor. Here's hoping they last half of the year is safe and rewarding for them.

If you are thinking about going to Topeka for the Solo Nationals, contact Bob Sonntag about the block of rooms he asked for. He'll give you the information so you can call and get your room reserved.

I want to say thanks to my Board members who I think are doing a wonderful job. Darrin and Teresa Bailey have assumed their roles quite well and are definitely an asset to the club. Terry Davis has done well at filling in for me at meetings, when work had me elsewhere. Gary Heck continues to handle the accounting and membership roles with great efficiency. One look at his reports and you can easily tell where we are financially. Gene Young has successfully assumed the duties of publishing our newsletter and he'd probably like it even more if I got this report to him in a timely manner. Tim Green doesn't make the meetings because of his second shift job but he's at every autocross event making sure every car is safe to run. And Bob Sonntag continues to be the best advisor an RE could ask for. The work these people do for you allows us to continue to play with our cars. Those of you that have gone before us should thank them, as we should thank you for setting the groundwork for a successful club.

One last thing. Welcome to our new club members.

Until next month...Did I tell you I drove a GT3 Porsche?

Paul Dornburg, *Regional Executive SIR SCCA*
