

The Pit Stop

SCCA Southern Indiana Region Monthly Newsletter December 2007 Volume 54 Number 12

December REport

The newsletter is the last for 2007 and it makes me wonder where the time has gone. Thanksgiving is done, Christmas is waiting in the wings and our awards banquet is next. If you'd like to go to the banquet give Gary Heck a call, his phone number is in the list of board members, and tell him how many and what you'd like to eat. He'll get you set up. Rolling Hills Country Club in Newburgh is the venue for our annual party to showcase our champions. The food is good and the company is great so come spend some time with your SCCA friends and fellow competitors.

The 2008 Board of directors was elected at the sparsely attended November club meeting. There are no new faces for 2008 as only the current board volunteered to guide your club. And that brings me to a topic that has been on the lips of any club leader in the recent past. The next few paragraphs are just my thoughts on a subject that all volunteer groups deal with.

Why are you an SCCA member? I get a membership report at least every month and I look it over for new names, whose membership has expired and who has renewed their membership. Here are some things I have noted.

Our membership number averages 80 members per month. Of those 80, 62 are male and 18 are female. Only 2 of those females do not have a spouse who is a club member so I assume that the other 16 are members because their husbands signed them up. 11 of those 16 spouses are what I would consider active club members and one of them is a board member. ("active" being defined as attending meetings and participating in competition events) The male side of the picture looks like this. Of the 62 male members there are 14 that we didn't see once at any club event in 2008 (I didn't include members that participate at a divisional or national level in that number of inactive members) and there are 6 club members that live out of state, too far away to attend club events. What do all these numbers mean? 20 members (25%) participated in meetings and competitions and accumulated the majority of the Berry Points handed out.

21 club members (26%) don't participate in the club. The 39 remaining members participate sparingly for a variety of reasons. I'm writing all this because I'm wondering why anyone would spend hard earned money on something they don't use? Why are there club members who don't participate? Every month there is a club meeting in Evansville, where the majority of the club members live, but only 12 or 14 people show up. I've held 2 meetings in Owensboro and the total participation for 2 meetings has been less than 20. Now I know how the preacher feels when he looks out at the empty pews every Sunday. How can we entice you non-participants to participate? What can we do? We will need you in the future. We are going to put on a Street Survival event and that will require some serious manpower. As a club member do you have the commitment to help? When we call you to help out on a weekend in the future will you turn us down? Why are you an SCCA member?

There won't be an Owensboro club meeting in January and February. I've got vacation and work trips during those second weeks of the month so we'll not be meeting then. We'll begin again in March on Thursday the 13th.

Rally masters Cathy and Gary Heck put on the next to last point rally with their Tombstone Territory: A Rally of Grave Concern. Not only did competitors need to follow their instructions but also be on the lookout for roadside cemeteries. Tim Green and Julia Seeber decided to team up and enter the B class and then proceeded to walk away with first place with a score of 191. Carolyn and I took home second place while Gene Young and Mitch Seeber managed to find the finish line and come home third. Perennial A class competitors Terry Davis and Bob Sonntag took their class honors with the low score of the event, 152. John Coen and Frank Totten took home second place honors. Gary had a PowerPoint presentation for us at the finish that showed each turn in the rally as well as all the cemeteries on the route. Thanks to the Heck's for a fun rally through southwestern Indiana on a gorgeous Sunday afternoon.

There was no "Food Rally" this year as not much interest was expressed by the usual participants. Perhaps the event can be revived next year with a questionnaire based on the SCCA Solo rulebook.

The Rally season concluded with the Ice Cream rally when three teams showed up to put their navigation skills to the test on Daviess county Kentucky's winding and hilly roads. Gene Young and Julia Seeber were the lone entrant in B class and took the win with the lowest score of the rally, 84. In the hotly contested A class Terry Davis and Bob Sonntag beat out the dynamic duo of Gary and Cathy Heck. Terry and Bob "Aced" the first checkpoint and then rolled up a total score of 100 beating out the less equipped Hecks who posted a total score of 207.

The Annual Rally Trophy will belong to Bob Sonntag and Terry Davis. They totalled 35 points to bring home the trophy in 2007. Second was a tie between Gene Young and me with 26 points. Julia Seeber was all alone in third place with 24 points.

Last month we announced the winner of the 2007 Autocross trophy. The complete results are listed in this newspaper.

The Rookie of the Year award went right to the end of the year. Mitch Seeber, one of our youngest members, won the 2007 Rookie award. He joined the club just in time to make the cutoff for 2007 Rookies and then piled on the points to beat Kyle Bledsoe. Congratulations Mitch! We'll be watching you to make sure you continue your club involvement as some past RoY winners disappeared never to be seen at a club event again.

The John Berry award goes to the club member who accumulates the most points during the current calendar year. Your 2007 award winner is Bob Sonntag. Terry Davis and I tied for second while Gene Young garnered the third place trophy.

That's it for this month. Check our on-line calendar at www.sirscca.org and register for our events at www.myautoevents.com.
