

SCCA Southern Indiana Region Monthly Newsletter June 2009 Volume 56 Number 6

June Report

I hope everyone enjoyed the Memorial Day weekend. It's the traditional kickoff to summer and we'll begin the summer with a Mike Freeman rally on May 31st. Mike's rally starts at the Speedy Oiler on North St. Joe Ave, just north of Diamond Ave. next to the Rural King. Be there around 12:30 to get checked in and all. I've only done a couple of Freeman rallies and they were good. It'd be nice to see a turnout of more than 3 teams.

Next is our Evansville Teen Driver Street Survival Event. It's going to be held at the Whirlpool parking lot on US41 just north of Evansville. The date is Saturday June 27th. We'll need volunteers for Instructors and other things. I really hope everyone will step up and help out like they did at the Lawrenceville event last fall. I'll be calling you. Bob and I will be speaking at the St Mary's Hospital Teen Driving Academy May 30th hoping to sign up some Teen Drivers.

Let's not forget the Southern Illinois Region autocross on June 7th. Start time is a noon so be there around 10 AM to get inspected and registered.

Our next autocross will be at Lawrenceville on June 28th.

We've had a couple of events since the last issue of Pit Stop. The Moore's put on a Rally that took us all over the north and west side of Evansville. Three teams joined in and we had 3 winners. Taking the Guest Class was Team Blaylock in their first SIR Rally. Taking the A Class was the Davis/Sonntag team who "Aced" another checkpoint to make it 2 rallies in a row with an ace. Taking B Class was the Dornburg/Dornburg team.

Our next event was the Opening Booked Autocross. 35 brave drivers showed up on a cool wet Saturday to try their hand at laying down a fast time. It was overcast when we arrived and about 10:30 AM there was a cloudburst that soaked everything. Another rain about an hour later meant the first group would definitely be splashing through the low spots. We got started on time and sure enough there were about 4 places where one had to get the car going straight before entering the standing water. We tried to group the cars by tire type with the street tire cars going first. It seemed to work pretty well because when the second group took to the track the surface seemed pretty dry except for a couple of spots. After the second set of runs the track was dry and times reflected it. Unfortunately most everyone suffered from either a DNF or cones. Only 3 drivers made all runs without problems, Brad Mull, Mike Freeman and yours truly. By the time we started the second group of runs the sun was out and the track was dry. Only a big spin at the finish by Barry Schonberger slowed the proceedings. One of his tires slid over the timing cable and abraded it enough it that it wouldn't return the signal from the timing head. A quick cable switch got us back underway. A number of Team Hulman Motorsports students from Rose-Hulman University made the trip to Lawrenceville in anticipation of a full weekend of autocrossing with another event Sunday at Terre Haute International Airport. Results for the event should be a bit farther through this newsletter.

The following day a number of us, 7 to be exact, competed in the first ever autocross at Terre Haute International Airport. The concrete surface was pristine. Smooth with lots of grip but very little wear showed on my tires. 138 drivers got 5 runs. They started running at 10 AM and were done by 3 PM. Here's where we finished based on Raw times:

Fast Time:	35.406
5 th Bob Sonntag	37.926 B Modified
11 th Paul Dornburg	41.573 Super Street Modified
30 th Yancy Smith	43.841 E Prepared
35 th Barry Schonberger	44.140 A Stock
40 th Barry Beaman	44.262 E Stock
41 st Terry Davis	44.424 Super Street Modified
46 th Kent Schonberger	44.563 A Stock

It was very interesting that the event was put on at an active commercial airport. Flights took off and landed while we were there. The only thing that would have made it better would have been 5 more degrees of temperature. Other than that it was great. A big Thank you goes out to the Indy Region and the Rose-Hulman Students for putting this together. I hope it's an annual event.

I talked again to the Owensboro airport manager about a Street Survival event. He told me he's trying to find out what he can let us do at the airport if anything. I'll visit with him again in the next few weeks and tell him about the Terre Haute airport event. Maybe that will help ease his concerns or give him someone to talk to about us using the site.

That's it for this month. Check our on-line calendar at www.sirscca.org and look for events on <u>www.motorsportreg.com</u> and <u>www.myautoevents.com</u> Racingly, Paul Dornburg *Regional Executive*

Notes: The times reflect any 2 second penalty per pylon; the pylon count is shown in the penalty column.

In instances where there were would have been no times for the second set of runs because of DNS runs, times were created by adding 2 seconds to the competitor's slowest run time.

Where possible DNF runs show the raw time.

Opening Bookend, Lawrenceville, Class Results

Notes: The times reflect any 2 second penalty per pylon; the pylon count is shown in the penalty column.

In instances where there were would have been no times for the second set of runs because of DNS runs, times were created by adding 2 seconds to the competitor's slowest run time.

Where possible DNF runs show the raw time.
