

# The *Pit Stop*

SCCA Southern Indiana Region Monthly Newsletter July 2010 Volume 57 Number 7

## July REport

At our first autocross we did without radios for a while because of my bad memory. I had taken them home last fall to remove the batteries for the winter. I forgot to put them in my truck so we had to do without them until Dr. Reggie brought us his. Many thanks to Reggie for bailing me (us) out. The radios are now in the trailer with new batteries. If you ever handle the bag of batteries be careful, lest you squeeze it and turn on any number of the radios. We'll only find out that they were on when we try to use them the next time. I guess we'd better have a stash of batteries somewhere.

Our first autocross had a good turnout of 41 drivers. Everyone got 6 runs and there were a number of fun runs because we didn't have to pick up the course. As is the norm at our events, Bob Sonntag set Fast Time of the Day in his B Modified LeGrand and I believe he had the dubious honor of having the most spectacular spin. As he was negotiating the right hand sweeper he got a little wide, out in the marbles and did at least one 360 if not 2. We had a number of new members in attendance who we coached through the sea of cones. Mitch Seeber made his first autocross runs in his car under my guidance. He showed great improvement each run and is probably planning on wringing more horsepower out of his Neon so he can go faster. The next point autocross is the last Sunday in June.

The Sunday after the first autocross we hosted the Midwest Muscle Car Challenge autocross on the same course as our opening event. I think the final car count was 37 for the Muscle cars. I want to say that a couple of cars made 29 runs with most making much less than that. Many, many thanks to all the club members that spent a day in Lawrenceville, working this event, which is a great fund raiser for our club.

The June "Ice Cream Rally" was postponed because I'm working out of town. We've not yet set a date for it.

After the June 27<sup>th</sup> Autocross comes the July 11<sup>th</sup> event. In between those dates a few of us will be going to the SCCA National Tour Event at Grissom AFB near Peru IN. We'll travel there Friday for the Saturday/Sunday competition. Bob Sonntag, Terry Davis and I will be competing. Perhaps one of us will bring home a trophy.

The Checkered Flag Speedway is closing, at least for the summer, maybe longer, so we won't be having any more karting meetings in Owensboro. Darn, I liked that place.

Another fund raiser for the club comes in July at the Bowler Autocross event on their "Day at the Drags" weekend. We'll need your help to put on this event so please put it on your calendar of events.

That's it for this month. Our next meeting will be July 13<sup>th</sup> at the Lone Star Steakhouse in Evansville. Check our on-line calendar at [www.sirsc.ca.org](http://www.sirsc.ca.org).

*Racingly, Paul Dornburg Regional Executive*

Notes: The times reflect any 2 second penalty per pylon; the pylon count is shown in the penalty column.

In instances where there were would have been no times for the second set of runs because of DNS runs, times were created by adding 2 seconds to the competitor's slowest run time.

Where possible DNF runs show the raw time.
