SCCA Southern Indiana Region Monthly Newsletter November 2010 Volume 58 Number 11

## November Report

At last month's club meeting we took nominations for the 2011 Board of Directors and it appears that we will have the biggest change in the Board in quite some time. The list of candidates is on the next page. Voting for the new Board members will take place at the November club meeting. Introduction of the new Board will be at the Awards Banquet. Current and future members will meet in Owensboro at my house for a formal changeover meeting later in December. I want to thank all the members who "volunteered" for their new position.

One of the Board positions that will change is the Regional Executive. I've been the RE for the last 5 years so some of you have never known another face at the top of the list. That means you'll have to get used to a different writing style for these Reports. This is my 59<sup>th</sup> monthly report and I'm looking forward to only having 1 more to do before I hand over the reigns.

Speaking of writing, the man that every motorsports writer emulates, Chris Economaki, just celebrated his 90<sup>th</sup> birthday. If you don't know who Chris is you should Google his name and see. Better yet, subscribe to National Speed Sport News the weekly newspaper he has been publishing since the dawn of mechanized racing in the world. (or close to it) I have long admired his ability to write a weekly column covering all the motorsports in the world. He has had his hand on the pulse of racing for a very long time. I hope he has many more good years. Happy Birthday Chris!

The last club point rally will take place Sunday October 31<sup>st</sup>, Halloween. It'll be "Ice Cream Rally II" and will start at the Dairy Queen on US 60 East in Owensboro KY. I was worried that we'd encounter kids Trick or Treating that day but the city has said that Saturday will be the day for that ritual. So come on over for the "Trick" route and the "Treat" at the end of the Rally. I hope you'll all take time to enjoy a drive through southeast Daviess county Kentucky.

The SIR Christmas Party is only one month away on Friday December 3<sup>rd</sup>. The menu has been decided and is on the next page. The price per meal will stay the same at \$28 per

person. We will need to know who will be attending so contact a Board member however you can before November 27<sup>th</sup>.

Mike Freeman will put on a "Food Rally" on Sunday November 7<sup>th</sup>. The starting point is the Buy Lows on 41 N. near the 4H grounds. Tech and registration are from 12:00 to 1:00. Preheating your ovens and cooking utensils at 12:30 or so depending on your engine displacement and required cooking temperatures. The "Before" pictures will be taken from 12:00 to 1:00. The first "Easy Bake" car will be off at 1:30. The rally should be, and I want to emphasize "should be", two hours in length and that part is up to you and the required cooking time. Also remember that the judges can be bribed, but we are not cheap. Presentation and flavor will still be two important criteria. Also remember "Dick VanDyke".

Our region hands out two competition trophies every year, one for Rallying and one for Autocrossing. The Rally champ has yet to be decided but the 2010 Autocross champ is yours truly. I managed to beat Bob Sonntag and Barry Beaman by 18 and 31 points respectively despite two major failures with my Porsche. The first was the fiasco at the Peru National tour event where I selected first instead of third and bent all the exhaust valves when I let up the clutch and over revved the engine. Fortunately for me Gene Young let me drive the family Mustang at the next event which kept me alive in the points. (Thank you Gene) The second failure was at the last autocross where turbocharger induced stress tore half the teeth off the transmission pinion gear. Thankfully I had enough points in hand by then to be able to pull out the championship.

That's it for this month. Our next club member meeting will be November 9<sup>th</sup> at the Lone Star Steakhouse in Evansville, Indiana. Please come and vote for your 2011 Board. Check our on-line calendar at [www.sirscca.org](http://www.sirscca.org) for our club events.

Notes: The times reflect any 2 second penalty per pylon; the pylon count is shown in the penalty column.

In instances where there were would have been no times for the second set of runs because of DNS runs, times were created by adding 2 seconds to the competitor's slowest run time.

Where possible, DNF runs show the raw time.

B: Bonus eligible driver. The driver's best three of four runs of each heat are shown in these results.

Where possible, DNF runs show the raw time.

## Neon Mod: Rally Lights by Mom

Mitchell Seeber, SIR autocrosser/worker, First Class JROTC and First Class BSA, took out to install his bargain basement Hella lights purchased from Yancy Smith, his Neon mentor. From significant saws-all'ing through multiple aiming attempts he now runs two extra hell-flaming lights when the Neon is brighted. As with all non-repetitive tasks the feat was not accomplished without some hitches. The first attempt at use induced smoke and a lesson on wire insulation was learned. A decrepit buzzing started so a relay was removed. Some spectators enjoyed the challenges which were not seen as humorous by all. On the Neon's first trip to town it was discovered the relay was necessary to make turn signals work. A new relay from Yank will be retrieved soon, even though taking turns in town at full speed is fun. The exception is going straight when you want to turn because the police are behind you.
