SCCA Southern Indiana Region Monthly Newsletter December 2010 Volume 58 Number 12

December Report

We'll kick off December with our annual Awards Banquet/Christmas Party where we will have a few drinks, eat a nice meal, hand out the club's traveling trophies and then play Dirty Santa. Before the night ends I'll hand over the gavel to your new Regional Executive, Chris Moore. I'll also introduce new Board members Mike Hutchens, Ben Davis and Jim Cannon while thanking outgoing members Tim Green, Gary Heck, and Carrie Moore.

There will be trophies handed out for Rally, Autocross, Rookie of the Year and Berry points. In this newsletter there should be the final point standings.

We'll also hand out trophies for the final Rally of the year where Bob Sonntag garnered enough points to be the 2010 Rally Champion.

I'd like to thank all of you for being so supportive during my 5 year reign as regional executive. Thank you to all who pitched in to help whether it was a patch party or a blistering day under the sun at an autocross. You will never know how easy you made it for me. Ken Andrew told me it would be easy when I took this job, "just ask people to help" he told me. Truer words were never spoken. Thanks again for everyone's help. I really appreciate it and I hope you'll continue the tradition with our new RE.

That's it for this month. Our next club member meeting will be January 11th at the Lone Star Steakhouse in Evansville, Indiana. Check our on-line calendar at www.sirscca.org for our club events.

Racingly, Paul Dornburg Regional Executive (retired, now the Advisor)

I want to thank everyone the participated in the Food Rally better known as Clampett's Revenge. I know people asked me to tell them what subject the rally would be on this year and I told them to remember two words " Dick VanDyke". Now what that has to do with the Beverly Hillbillies I really don't know but the rally used questions about them. I was really pleased with the neat dishes attempted. Now everything was not successful but a lot of things were learned and that is what is important. The results are posted elsewhere in Pit Stop so I am going to put Bob's analysis of the work that went into the rally and our judging of same. This will give you hints at how we judge. Of course it doesn't mean we will judge this way next year. You know how flaky I am with rules.

Cannon/Cannon:

- Bar-B-Q with au gratin potatoes w/ root beer floats for desert.
- It was all good; but; may have been more heat-n-eat than cooked from scratch with engine heat.
- Style points for serving floats in trophy mugs.

"Team Suzuki" -- Guests:

- Very nicely done steak and chicken ka-bobs.
- Dinged for presenting unfinished biscuits.

- Bonus points for researching the Clampetts on the move (killed two cell phone batteries!)
 - Too bad we didn't get their mileage. They might not have missed an answer.
- Excellent result for first exposure and entry to the famed food rally.

Corey & Maureen -- Guests:

- Chicken in salsa-like topping w/ au gratin potatoes on the side.
 - No deduction for desert not presented for judging.
- All items prepared on the trunk as we gathered in the bank parking lot.
- Cooked from scratch on the manifold grill.
 - Will the grill stay in the car?
- Points for "oven" adjustments mid-route.
- Bonus points for finishing the meal with engine heat in the driveway.
- A most EXCELLENT result.
- Best of Show!

Moore & Moore:

- Great theme -- had it worked out.
 - Venison entree w/ road-kill deer cake for desert.
 - Veggie medley was nicely done.
- Heavy penalty hit for having lost the entree.
- Bonus points for doilies, china, and utensils.
- Wine and glasses too.
- Deduction for having a back-up plan of PB&J. (Should have gone with toasted PB&J.)
- Severely handicapped by near-Amish childhoods.
 - Points for admitting to seeing the off-course "got-cha" plate.
 - Those same points deducted for never having learned of Jethro's "double-naught spying" from any source.

Posey & Posey:

- Salmon w/ potatoes.
- Pale Ale.
- Excellent entree, though the m-wave was used.
- First time competitors.
- Finished the route, right?

Young & Young et al:

- Impressive selection of dishes -- popcorn to entree to rice to cookies -- with sides of grapes and cheese.
 - Unique food rally equipment: rice cooker, crock-pot, and refrigerator.
 - Su chefs: Mr. George Foreman, Briggs and Stratton.
- Guinness Stout too.
- Took cooking while driving to a new level. Unfortunately, judges were expecting "cook with engine heat" more than cook while driving.
- EXCELLENT desert!
- Extra credit given for thinking out of the box (or out of the SUV).
- Extra credit lost for not completing the rally.
- Extra credit given for reacting to the rally subject matter.

A great time was had by all and I hope everyone tries again next year and even more of you will work up the courage of these teams to try for the "ULTIMATE MEAL" and to be crowned truly an Iron Chef.
