

# The Pit Stop!

**SCCA Southern Indiana Region Monthly Newsletter October 2012 Volume 59 Number 10**

## October REport

It's October and our year is beginning to come to a close. It is only starting to come to a close. It is not over yet. Keep the helmet, the stopwatch & clipboard, and the car available for another month of SIR/SCCA fun. This is going to be a busy month. When we get through it, it will have been a riDQulously good time.

As I write this, our final point autocross is a few days into the future. By the time you are able to read this, that event will have happened and the year-long autocross championship will have been decided. Actually, "finalized" is probably a better word. Kevin Smalley has only given up four points with one event to go. Paul Dornburg, second in the standings, has a substantial lead on Barry Beaman. Barry holds quite a solid lead over Ernie Roales. Most of the rest of us that autocross will have been shuffled around by good performances in the final event. Drivers that already missed an autocross will have gotten a bump of at least 750 points by running the season finale. Those of us that did not miss an event will have tried to better our lowest scores.

The rally championship is heating up. As our autocross year comes to a close, we filled those available weekends with rally activities. We have two rally events left. Those two events represent a potential ten point improvement in the rally standings. There are 17 members within ten points of first place. Doesn't NASCAR only manage to have about 12 drivers with hopes of a season championship?

Before we get to that rally action, we have some other activities.

October 7th: Southern Illinois Region (the "other SIR/SCCA") autocross at the Mid-American Air Center. I always think of these events as "home" events but without the management responsibilities.

- Set-up: 9:00 A.M.
- Registration & Tech Open: 10:00 A.M.
- Registration Closes: 11:15 A.M.
- Tech Closes: 11:30 A.M.
- Drivers' Meeting at 11:45 A.M.
- First run at 12:00 P.M.

October 9th: Membership meeting at Ri Ra's Irish Pub & Restaurant. Are you going to stand for a 2013 or 2014 office? The highlights of the meeting are sure to be trophy presentations for three events, 2013 officer nominations, and perhaps some reports on the Run-offs.

October 12th: It is Friday and we will gather at 3:00 P.M. at the Mid-American Air Center (MAAC) to put the course out for the Bowler "Day at the Strip" autocross on the 13th.

October 13th: Saturday, 8:00 A.M. and it is an early morning so that we can finish the set-up, start tech and registration, and be ready to run at 9:00. If you work the event, there is no charge to make timed runs. Our plan is to put half the workers in each heat with the Bowler event entrants. But that only works if we have enough workers, so please do support our club in supporting the Bowler event. For selfish reasons we need to continue to be good to the MAAC. We will likely be running there regularly next year.

October 28th: The frequently postponed "Ice Cream Rally." I hope. Plans to have the ice cream rally in the hot summer months did not work out. Perhaps the hot rally competition will make up for the outside temperature. We start from the DQ on US 60 East in Owensboro, KY.

Lastly, check your calendars to make sure you have already saved Friday, November 30th, for our annual awards banquet and holiday party.

Hope to see you at three or four times this month.

See you soon.

Zoom-zoom & wup-wup,

Bob Sonntag

Schedule and Procedural Adjustments to Autocross Set-up, Tech, and Registration for Roberts Stadium Autocross Events

- Paul will be asking a few to cover some specific jobs in Tech and Registration

- Blowing the course vs. marking it. We MUST either mark as a final set-up task or remark after it's blown.

- Worker Check-in

- Bonus Runs – Reverting back to with heat runs

- We make qualifying for the bonus program convenient, but not easy.

- Those on the Bonus Program EARNED the runs.

- The runs are valuable, and will be protected to ensure they are ran.

Bowler Day at the Strip

- See September Pitstop for more Information

# SPORTS CAR CLUB OF AMERICA

## SCCA: A club with many interests

Many faceted in its endeavors, the Sports Car Club of America (SCCA) might best be described as a service organization. It serves over 50,000 members throughout the United States by sanctioning and administering a variety of automotive related activities through more than 115 independently chartered regions. No other single motor sports organization in the world conducts more events than the SCCA. These events range from amateur and professional road racing to road rallies, autocrosses, rally crosses, hill climbs and auto shows. The SCCA is an ever-growing organization for the automotive enthusiast. Because the SCCA is member oriented, the club stresses participation on a broad basis. Regardless of your experience or background, if you are an automotive enthusiast there is a place for you in the SCCA. The avenues available range from amateur or professional road race driver to weekend rally or autocross driver to race worker or official. In order to successfully sanction and conduct a comprehensive autocross/rally/road racing program many experts in timing and scoring, communications, safety inspection, medical, flagging, course/race control and other skills are needed. Schools are held to train the drivers and workers and various degrees of licenses are awarded based on knowledge, ability and experience.
