

The Pit Stop

SCCA Southern Indiana Region Monthly Newsletter August 2013 Volume 60 Number 8

August REport

Why is August the middle of our year? Four of our seven autocrosses are in the record book and we have just three more to run this year. We will cross the halfway point in our rally season this month with Jay and Sue Wolf's rally on the 11th. August also means that Scorpio's is closed so we'll make our annual trip to the Log Inn in Warrenton, Indiana, for our membership meeting.

July was a busy month for us. We had two autocrosses at the Mid-American Air Center (MAAC) and we also spent quite a few hours clearing our autocross area of rocks that had been evenly redistributed over the whole area. Thankfully the MAAC maintenance staff had gotten a sweeper on the area before we arrived to start setting up for Kevin Smalley's event on the 14th. Still, about two-thirds of those there early swept the area to our satisfaction. I'm not sure it has ever been more nicely swept. To those on the sweep crew, thank you very much. Those not sweeping, did a super job of getting Kevin's course design set up. Kevin made good use of the new "grid turn" and an alternative start/finish layout. It was a fun course too.

For the event on the 28th, I went for a more traditional design with a new look at some areas. What's more traditional on any autocross course than a 180? Three chicanes and – depending on how one counted circling an island – either two or three additional 180s. The course offered 60 second runs for most everybody and we could run a car about every 30 seconds. The 180s seemed to equalize all of our cars. Through the midway break, all of the fastest times were quite close. Be sure to check the Autocross Points results. Four cars with more than 990 points on the day! Has that happened before? Three of those four within a point of each other! WOW!! Jim Breidenbach came up from Paducah after our chapter's event was cancel because of car haulers on the course. Richard Baker dropped in to join the fun too. Didn't those semi-regular visitors do well? Weather-wise we had a perfect day for a full day of autocrossing. It was comfortable in July at the MAAC. That's another "wow" for sure. I'll make no other mention of car problems or power outages.

Our next event is a T/S/D rally – Sunday, August 11 – from the Automotive Technology Building, room 108, of Vincennes University (1400 Chestnut Street, Vincennes, Indiana). Jay and Sue have been working on this rally for a while. Jay has also been marketing the rally to car clubs in the Vincennes area. He even lined up a TV spot on the local PBS station. Let's do our part to have a good turnout. When is the last time our rally regulars were on new rally roads? It could be a quite fun rally. Keep in mind that Vincennes is an hour ahead of Evansville, Owensboro, and Lawrenceville.

Our next autocross is on August 18 with a course by Terry Davis. Terry isn't a huge fan of chicanes and doesn't really enjoy tight 180s. I expect his design to reflect those tastes. But, you will have to be at the MAAC to see what he puts together.

Lastly, on Tuesday, August 13, our membership meeting will be at the Log Inn, not Smitty's. I don't want you to go without a seat. I don't want them to run short of food either. *(Let alone, me having to share either my seat or my dinner with you. OMG, did I just type that? Didn't I take that out in the proofreading phase when I added the italics?)* Please email your reservation to me via RE@sirscga.org or phone it to me using 812-477-5936 so that I can give the Log Inn a better head count. See you three times this month, right!

Paul Dornburg in Big Green

Bob Sonntag in his B Mod LeGrand

SPORTS CAR CLUB OF AMERICA: A club with many interests

Many faceted in its endeavors, the Sports Car Club of America (SCCA) might best be described as a service organization. It serves over 50,000 members throughout the United States by sanctioning and administering a variety of automotive related activities through more than 115 independently chartered regions. No other single motor sports organization in the world conducts more events than the SCCA. These events range from amateur and professional road racing to road rallies, autocrosses, rally crosses, hill climbs and auto shows. The SCCA is an ever-growing organization for the automotive enthusiast. Because the SCCA is member oriented, the club stresses participation on a broad basis. Regardless of your experience or background, if you are an automotive enthusiast there is a place for you in the SCCA. The avenues available range from amateur or professional road race driver, to weekend rally or autocross driver, to race worker or official. In order to successfully sanction and conduct a comprehensive autocross/rally/road racing program many experts in timing and scoring, communications, safety inspection, medical, flagging, course/race control and other skills are needed. Schools are held to train the drivers and workers and various degrees of licenses are awarded based on knowledge, ability and experience.

Pit Stop is the official publication of the Southern Indiana Region of the Sports Car Club of America, Inc. and is published monthly at PO Box 1112, Evansville, IN 47706.
