August 2015 REport

Can you believe it's already August? Very soon it will be time for football! Don't forget, on Sundays during events, I don't want to know the score of the Dallas Cowboy games (Jim!). August is also our annual trip to The Log Inn (on Tuesday, August 11th). Do I have your RSVP yet? If not, I need them by Thursday, August 6th. Please send them to re@sirscca.org. It really helps if you put "RSVP Log Inn 2015" or something similar in the subject.

In other news, we have an official date for the Toyota Autocross. Please mark Sunday, September 27th on your calendars. We need plenty of volunteers for this event. Even though the event is restricted to Toyota employees, we've been promised an opportunity to make a few runs during the day. This is a very important fund raising event for the club. We also hope that the event will earn us a chance to hold future events at the site. Stay tuned for more details including the weekend schedule for the autocross. I hope many of you plan to participate!

And, now, on to the events...

Recent Events

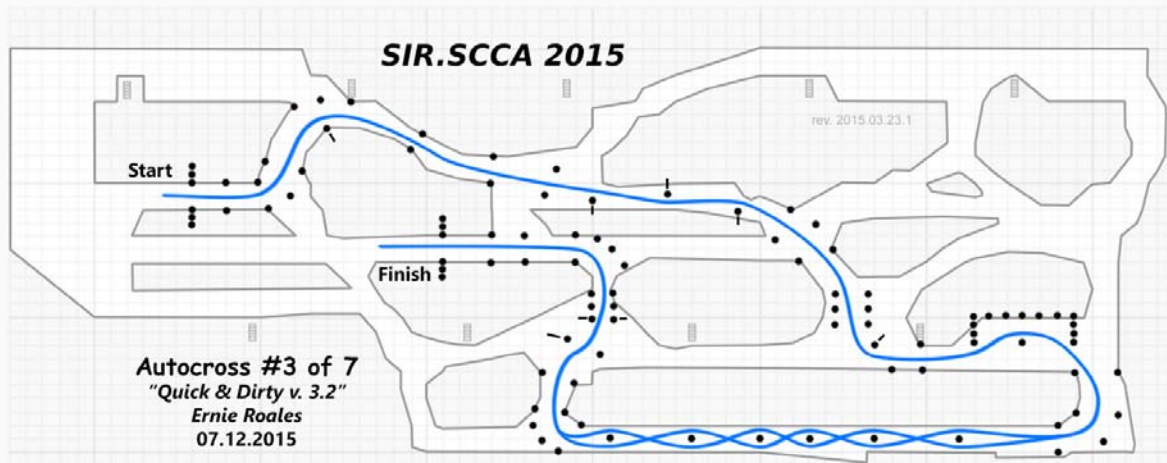

Rally #3 of 7

Rally #3 of 7 took place in Evansville on Sunday, June 28th. Bob Sonntag was the Rally Master and Terry Davis assisted. Bob's course, called "The Prisoner's Farewell", had EIGHT checkpoints! That must have kept them busy. I was unable to attend because of my move, but, I did pass by Ernie at one point. He was having fun while I was driving a pickup truck full of stuff to the new house. Bummer!

Low score of the day once again went to class B. Congratulations, Jim and Darlene Cannon! They scored a 290. The best class A score was 8164 by Stephen Yockey and James V. Class A really needs to step up their game! (rumor has it that they did just that last weekend, but, you will have to keep reading if you want to find out more).

Autocross #3 of 7

Ernie Roales designed the course for our 3rd autocross of the season - filling in for me due to a last minute conflict. Thanks for taking this autocross on such short notice, Ernie! The event took place on Sunday, July 12th at the Mid-American Air Center. Here's a drawing of Ernie's course.

I heard lots of compliments on this course at the last member meeting. Guess I'll have to enter it into my autocross simulator to see what everyone was raving about.

For the 2nd straight event, Paul Dornburg took the top spot, and Jim Cannon finished in 2nd with his restyled Miata. Congratulations, Paul and Jim! You will find complete event results later in this edition of Pit Stop.

Rally #4 of 7

The annual Ice Cream Rally took place on Sunday, July 26th. Paul Dornburg was the rally master and Carolyn Dornburg assisted. Six teams entered the event, three in class A and three in class B. Ben and I ran in class B, scored a very respectable 168...and came in last place in class B! Dave and Suellyn Lerschall won class A and took the low score of the day with a 44. Well done, Dave and Suellyn! Thanks for putting class A back on top!

Perhaps the best story of the day, though, came from the team who won class B. Don Kelley showed up with his brother, Herb, to help with checkpoints. Since Paul and Carolyn had those covered, they decided to enter the event. They won class B with a score of 111. Congratulations, Team Kelley!

Autocross #4 of 7

Our 4th autocross of the season took place at the MAAC on Sunday, August 2nd. I was the Event Marshal for the event. Hopefully people thought that it was a fast course! I designed the course to take advantage of as much of the straight sections of concrete as possible. It was fun even though I'm rusty. It was my first autocross event this year. I'll have a graphic available for next month's Pit Stop

Upcoming Events

Rally #5 of 7

Terry Davis will be providing the route for our 5th rally event of the season with Bob assisting. I wonder if they will attempt another 8 checkpoint rally? I guess you will have to enter and find out! Terry and Bob always include a few interesting twists in their routes. Should be a great event!

Date: Sunday, August 16th

Location: Hardee's - 4249 US 41 North, Evansville, IN 47711

Schedule: (see rally schedule later in this newsletter)

Rally Master: Terry Davis

Sports Car Club of America - Southern Indiana Division - Board of Directors Minutes - July 7, 2015

Attendees:

Matt Beasley, Regional Executive; Paul Blaylock, Activities Chairman; John Memmer, Assistant Activities Chair; Bob Sonntag, Treasurer; Ben Davis *PitStop*/Website; Lora Blaylock, Secretary, Paul Dornburg, Advisor to the Board; Ernie Roales, Assistant Regional Executive

Officer Reports:

-Treasurer Bob reports that the club is operating in the black, and there are minimal outstanding bills. He also noted that the national SCCA website has been updated, and reports that the board often accesses have been moved under the "profile" tab. Finally, he suggests we continue to remind folks that exact change is appreciated when paying for events and that members are able to pay by check.

-Activities Chair PaulB posed questions about member join dates: is the join date when the membership fee is received, or when they show up on our lists from national? Traditionally, SIR has taken the pay date as the join date if it makes a difference in Berry or Rookie points in favor of the member. Also, if one was a member (youth, family, or otherwise), lapsed, and then rejoins, can they earn Rookie points? Yes, if no events were entered during the original membership.

-Regional Executive Matt is looking forward to returning to participating in events after a personally busy spring. He noted that we have 111 members in good standing, with 6 expired memberships over the past 2 months. He reported that the Western Kentucky chapter is still working toward becoming its own region.

New Business:

-Bob and Matt reported that they have been in touch with TMMI and are looking at new dates for the autocross that do not conflict with the Southern Illinois event on September 13. Even with the date change, there is concern about getting enough workers without offering runs for them. Bob and Matt will try to work out this detail with TMMI, and make sure they are not excluding workers to avoid confusion with TMMI employee awards. When soliciting volunteers, we should be sure to remind folks that this kind of event is how the club makes money.

-Ben Davis reported that folks are reporting odds and ends about the website to him, and he appreciates the feedback and is making corrections/edits. Upon suggestion, he will re-order the results list to show most recent events first. He further confirmed dates, locations, and event masters for the calendar.

-In upcoming events, Ernie Roales is ready for Autocross #3 on July 12, and Matt is ready for Autoctoss #4 on August 2. Matt will contact specific folks for targeted cross-training. PaulD reports that Rally #4 on July 26 has been updated due to road construction, and is ready to go! Possibilities for the program at next week's membership meeting include a report on the recent historic car event at the Brickyard, and a report from member Chris Moore, who recently raced at Laguna Seca in California. Finally, the Log Inn has been secured for the August membership meeting, with thanks to Leslie for securing the Lincoln Room for the club.

-As there was no further business, the meeting adjourned.

Sports Car Club of America - Southern Indiana Division - Membership Meeting Minutes - June 14, 2015

-Matt Beasley, Regional Executive, gaveled the meeting to order and welcomed all, especially new visitors. Secretary Lora Blaylock encouraged all to read minutes of Board and Membership meetings on the website or in *Pit Stop*. Treasurer Bob Sonntag reported that we are operating in the black. Activities Chair Paul Blaylock noted that Autocross #5 on August 30 is needing an Event Chair; please contact him if you would like to create a course.

-In new business, Bob reported that autocross cross-training is going well, and encouraged folks to continue to come early and try new things! The details for the autocross for TMMI continue to be refined. It was moved, seconded, and approved to offer the date of September 27 to TMMI. While SIR members will not likely be eligible for prizes, workers should be able to take fun runs. Please plan to help out with this event, as it is a good money maker for the club.

-Matt noted that while attendance at tonight's meeting is quite good, previous months' attendance has been low. If you have an idea why, or a suggestion on how to boost attendance, please contact Matt via email.

-The club is looking forward to the upcoming Ice Cream Rally on July 26. Paul Dornburg notes that the annual rally route has been updated due to road construction in Owensboro, but everything is ready to go, so come out and have fun (and ice cream)! Matt shared a map of his upcoming Autocross, set for August 2; to the chagrin of some and consternation of others, the route features not one, but two chicanes.

-Trophies were presented for recent events. Terry Davis' autocross #2 on June 7 featured 10 weekend members, No Stinkin' Chicanes (except that one), and saw Paul Dornburg earn the only perfect score of the day. Don Kelley's rescheduled Rally #2 on May 31 saw 7 cars finish, with Class A taking overall 1st and 3rd places. Congratulations to Dave and Suelyn Lehrschall on their first place finish.

-Member Chris Moore reported on his recent racing experience at Laguna Seca in California. He rented a seat in a '97 BMW E36 in a ChumpCar race there. The car was all stock, with a straight pipe for a muffler, which caused them a noise disqualification on the first day. A new muffler was installed, and racing continued into day 3 when the clutch blew apart. Carrie Moore even enjoyed a ride-along in the ChumpWagon during live racing - check Facebook for details. Chris enjoyed over three hours of wheel-to-wheel racing, and had a great time. He highly recommends series like ChumpCar or WRL if you are looking for a good racing experience.

-Several SIR members visited the Brickyard in Indianapolis recently for the Vintage Racing event. A mere \$15 provided up-close and personal views of historic, pedigreed racecars, their owners, and famous drivers. This annual event lasts four days and is highly recommended to all.

-Matt thanked our presenters, and reminded everyone that the August membership meeting will take place at the Log Inn. Watch your email for details, and be sure to RSVP. The door prize was won by visitor Grace Yockey.

-As there was no further business, the meeting adjourned.

Notes: The times reflect any 2 second penalty per pylon; the pylon count is shown in the penalty column.

In instances where there were would have been no times for the second set of runs because of DNF/DNS runs, times were created by adding 2 seconds to the competitor's slowest run time.

Where possible, DNF runs show the raw time.

Class results are by single best run. Autocross points are by indexing the combined best first heat run and the best second heat run.

B: Driver in SIR/SCCA bonus program. The driver's best three of four runs of each heat are shown in these results.

T: Trophy winner.

Reminder!!!

The August 11th Membership Meeting will be held at The Log Inn since Scorpio's is closed in August. This is a family style dinner where you choose your meat, but get to enjoy all the sides. I have yet to meet anyone that has left feeling hungry!

Please turn your RSVP in to Matt Beasley re@sirscca.org before August 6th if you will be attending this meeting!

SPORTS CAR CLUB OF AMERICA: A club with many interests

Many faceted in its endeavors, the Sports Car Club of America (SCCA) might best be described as a service organization. It serves over 50,000 members throughout the United States by sanctioning and administering a variety of automotive related activities through more than 115 independently chartered regions. No other single motor sports organization in the world conducts more events than the SCCA. These events range from amateur and professional road racing to road rallies, autocrosses, rally crosses, hill climbs and auto shows. The SCCA is an ever-growing organization for the automotive enthusiast. Because the SCCA is member oriented, the club stresses participation on a broad basis. Regardless of your experience or background, if you are an automotive enthusiast there is a place for you in the SCCA. These avenues range from amateur or professional road race driver, to weekend rally or autocross driver, and from race worker or official. In order to successfully sanction and conduct a comprehensive autocross/rally/road racing program many experts in timing and scoring, communications, safety inspection, medical, flagging, course/race control and other skills are needed. Schools are held to train the drivers and workers and various degrees of licenses are awarded based on knowledge, ability and experience.

Pit Stop is the official publication of the Southern Indiana Region of the Sports Car Club of America, Inc. and is published monthly at PO Box 1112, Evansville, IN 47706.
