August REport from Dave Lehrschall

As I write this Pit Stop article I am thinking about how well our Rally and Autocross seasons are going. We've just finished the 4th Autocross of the season and even though it was extremely hot and humid, we all enjoyed a unique course designed by our Assistant R.E., Richard Grav. His placement of a complete circle in the course rewarded those who worked at patiently holding a steady steering wheel and smooth accelerator. There were a couple of long sweepers that I used to push my accelerometer readings to new highs, just before the back end tried coming around. (You know I really love this sport!).

We had a good turnout of about 25 drivers. It was down a little from our last two events with about 50 drivers each, but given the weather conditions it was a good showing. The weather might have been a bigger deal than it was. I observed a lot of setup support with extra people getting out early to setup the course and prepare the trailer. Too often only a couple of people man the blowers to clear the course. On Sunday, I believe we had three pairs of workers run the blowers. It was a good day to spread the work load around. Thank you, Richard for watching and prompting worker rotations.

We did a better job of parking at the airfield this past weekend. We did not spread the distance from car to car and kept our vehicles and trailers on our side of a line we use to prevent interference of the glider club members' activities.

I don't want to get too far away from the steady and smooth handling topic. Paul Dornburg noted that Tom Bootz has settled in and is leading everyone in Autocross points. I've shared a little shade with Tom between run sessions. Along with being a great driver, he's a good guy. I'd like to best his time, but I think I'll have to settle for observing and hopefully learning from him and our other top drivers. I've noticed something about each of our top drivers, they're all smooth! Tom, Paul, and Barry always do well and you can just tell when they are on their best runs, because they enter each course challenge as they've planned to enter rather than reacting and they don't work the steering wheel madly to recover from a bad plan of attack for the course. My suggestion is to watch these guys walk the course and observe their runs while you're on corner assignments. They're good.

Jr. Crowe is slated to be our next Autocross event marshal. That event, number 5 of 7, will take place on August 28th, at the Lawrenceville, IL M.A.A.C. Setup will begin at 9:30 AM Central time.

I'll move on from my favorite subject, Autocross, after a quick note regarding our Southern Indiana Region's participation in the Solo Nationals this September. We have a team of eight going to Lincoln. Registration is still open and we'd love to make it an even ten drivers or more! If you decide to go, please contact Paul Dornburg. He is coaching us rookies through the process.

After my favorite sport, I have to mention my favorite event of the year, the Ice Cream Rally! This event has everything. It has beautiful, gently curving, well-maintained Kentucky back roads that should give any driver a great time. Add to this a well-designed, time-tested set of Rally instructions and you can't go wrong. At the end of the Rally, there's Ice Cream! If you win, you can even add sprinkles on top! Just kidding. Everyone can have sprinkles! The Rally will be held on August 7, 2016, and will run from 12:30 to about 4:30 PM Central time. We'll be meeting at the Owensboro Dairy Queen located on East 4th. Please don't forget to bring your SCCA membership (or weekend membership receipt) and your driver's license. We had 12 teams at the last Rally. Let's see if we can grow that number a little.

Special thanks go out this month to Stacy and Richard Grav. Thankfully, the support wasn't needed, but Stacy prepared to treat anyone that might have begun to feel the effects of the heat during our last Autocross. The Gravs also extended an invitation to seek relief from the heat in their air-conditioned RV. Dave Lehrschall

SIRSCCA Board of Directors Meeting

July 5, 2016

Present: Dave Lehrschall, Regional Executive, Richard Grav, Assistant Regional Executive; Paul Blaylock, Activities Chair; Bob Sonntag, Treasurer, Lora Blaylock, Secretary; Paul Dornburg, *Pit Stop*; Terry Davis, Stacy Grav, guests

Regional Executive Dave Lehrschall welcomed everyone and called for officer reports. Treasurer Bob Sonntag reported that the club's bank balance is positive. Activities Chair Paul Blaylock reported that he, with help from Dave, will marshal autocross #7 on October 2. This means all the autocrosses have marshals. He is still looking for a rally master for the final rally on November 6. Paul Dornburg noted that *Pit Stop* should arrive in mailboxes in a day or two, and is already available on the website. Dave reported that he will be out of town for next week's Membership meeting, and is working with Assistant RE Richard Grav to lead the meeting is his place.

In Old Business, the protest from the Sweet and Spicy rally was discussed. Unfortunately, the protest was not received in the time limit specified in the rules, nor was it accompanied by the required protest fee. Paul Blaylock will touch base with team Moore to ensure the matter is closed.

Autocross #2 saw a good turnout of 36 entrants. We need to make sure no duplicate numbers are assigned to cars. A discussion of who should answer driver questions regarding DNF and penalties was held. It was decided to try to number the corner positions and have any penalty/DNF calls accompanied by the corner number. In addition, active participation in the guided course walk will be emphasized, as well as reminding folks that the course map is available for review on the trailer. Also, an effort to make sure new drivers line up in separate lanes in grid. Paul Dornburg reminded folks that non-drivers filling out (free) weekend membership forms do not need to bring them to the trailer.

Bob noted that he corrected a duplication of Junior Crowe's name/information in the autocross scoring system. There were three different spellings of his name entered, which caused his score for the last autocross to be incorrectly tabulated. The error did not change standings, and his correct score will be reflected in future publications.

In New Business, loaner helmets were discussed. Autocross #2 saw a lot of shuffling of helmets. Drivers should get priority in use of the helmets. It was moved, seconded, and agreed to enforce a rule of one passenger per run. The current stock of helmets is certified through the end of the year, so we will wait on purchasing replacements and potential additional stock until later in the year.

Member Steve Yockey commissioned sew-on embroidered patches of the SIR logo. The cost was \$1.21 per patch for 100 patches. It was moved, seconded, and agreed for the Treasurer to buy the patches from Steve. It was then moved, seconded, and agreed to sell the patches for \$5.00 each at SIR events.

Paul Dornburg reported that the club has made \$583.76 so far this year from the Tire Rack website link. He also reminded folks that weekend members who decide join the club are eligible for discounts of up to \$45, depending on how many events they have previously participated in.

In Upcoming Events, Dave will lead an autocross class at TMMI on July 9 exclusively for their employees who are planning to participate in their event later this year. Terry Davis is ready to marshal autocross #3 on July 10, titled "We Don't Need Any Stinking Name". July 12 will see a membership meeting led by Richard Grav, and the month will close with autocross #4 marshalled by Richard Grav.

Bob will reserve a space at the Log Inn for the August membership meeting. RSVPs will be directed to events@sirscca.org, which will be acknowledged by Paul Blaylock. A sign-up sheet will also be passed around at the July membership meeting.

Currently, 8 SIR folks are signed up to attend SOLO Nationals in Lincoln later this year. This is enough to have a

dedicated paddock area for the club. A golf cart is being secured for the club's use in Lincoln.

As there was no further business, it was moved and agreed to adjourn.

SIRSCCA

Membership Meeting

July 12, 2016

Assistant Regional Executive Richard Grav called the meeting to order and welcomed members and guests alike. The reading of the minutes was dispensed with upon affirmation of motion and second. Treasurer Bob Sonntag reported that the club has a positive cash balance. He also thanked Steve Yockey for arranging the production of embroidered SIR logo sew-on patches. They will be available at club events for \$5.00 each. Activities Chair Paul Blaylock reported that recent events have been well attended. He is looking for a Rally Master for Rally #7 on November 6. Remember, you earn first prize points for leading an event! Assistant Activities Chair Junior Crowe reported that a link to Larry's Automotive in Newburgh will soon be up on the club website. It will hopefully generate revenue for the club in a similar way as the Tire Rack link. Larry's Automotive is an auto repair shop and a dealer for several popular specialty automotive brands.

In Old Business, Terry Davis noted that details for the TMMI autocross on Saturday, September 17 are moving along. Dave Lehrschall led an autocross class for potential September participants this past Saturday. Remember, the TMMI autocross is for Toyota employees only, but we need SIR folks to work the event. Berry points will be awarded to workers. The same course will be used for the SIR Autocross #6 the next day.

Trophies were awarded for team Lehrschall's "Sweet and Spicy" rally from June 5. Twelve teams participated with Class A winning the day - team Davis/Sonntag took first place with the day's low score of 174. There were three trophies available in class B, with Team Blankenberger taking the top spot. Two guest teams also participated, with Trey and Linda Moore tallying a lower score than the winners of class B.

Dave Lehrschall's "A Nod to the Nationals" Autocross on June 26 saw 36 entries, including 10 guests. Tom Bootz took home the full 1,000 points for the day in his blue BMW. There was even time for 'fun runs' at the close of the day!

Bob Sonntag reported that the Board discussed loaner helmets at its July meeting, following significant shuffling of them at the June 26 autocross. Drivers will have priority on using these helmets, with passengers using them as they are available. He reminded all that there should only be one passenger per car, as passengers are supposed to be either learning or educating during the run. In addition, corner positions were given numbers at this past Sunday's autocross, in hopes of helping those with penalty questions find out where they went wrong.

The door prize was won by Steve Yockey, after which a motion was made and agreed to adjourn.

New members who joined at an event will be included in Rookie points in next month's Pit Stop.

Editor's Notes:

Tom Bootz is back. The 10-time Solo National Champion and 1 time DSR Road Racing Champion is back to his autocrossing roots. Tom's first appearance this year saw him tie for 7th place. For autocross #2 he trailered his car, instead of driving it, and had new wheels and tires. He was, no surprise, the fastest that event. He was fastest again in event #3 and event #4 and now holds an 83-point lead over Barry Beaman. Positions 2-5 are separated by just 80 points with 3 events to go. It's going to be an interesting second half of the autocross season.

Rally season is starting again after taking a month or two off. Rally #4 is the world famous "Ice Cream Rally". This rally was named by Darrin Bailey a number of years ago since it begins and ends at 2 different Owensboro Dairy Cream ice cream stores. It's a fun drive through the twisty elevations of southwest Daviess county Kentucky and it is world famous because an SCCA National representative wanted to attend because the name was intriguing.

Paul Dornburg's green 911 broke twice at autocross #4. The first time a throttle linkage bell-crank hung on some sheet metal. After a sweaty search and repair the next breakage was a transmission drive axle. The splined end of the hub that is in the differential sheared off and left the car unable to move under power. Paul has posted a video of the incidents on the Incontinent Racing Facebook page. He apologizes profusely for delaying the event that made the workers stand out longer in the brutal heat.

SPORTS CAR CLUB OF AMERICA

SCCA: A club with many interests

Many faceted in its endeavors, the Sports Car Club of America (SCCA) might best be described as a service organization. It serves over 50,000 members throughout the United States by sanctioning and administering a variety of automotive related activities through more than 115 independently chartered regions. No other single motor sports organization in the world conducts more events than the SCCA. These events range from amateur and professional road racing to road rallies, autocrosses, rally crosses, hill climbs and auto shows. The SCCA is an ever-growing organization for the automotive enthusiast. Because the SCCA is member oriented, the club stresses participation on a broad basis. Regardless of your experience or background, if you are an automotive enthusiast there is a place for you in the SCCA. The avenues available range from amateur or professional road race driver to weekend rally or autocross driver to race worker or official. In order to successfully sanction and conduct a comprehensive autocross/rally/road racing program many experts in timing and scoring, communications, safety inspection, medical, flagging, course/race control and other skills are needed. Schools are held to train the drivers and workers and various degrees of licenses are awarded based on knowledge, ability and experience.
