

SCCA Southern Indiana Region Monthly Newsletter September 2016 Volume 63 Number 9

September REport from Dave Lehrschaal

Our competitive Autocross season just keeps on rolling! We had 41 drivers competing today in our 5th points Autocross. Jr. Crowe served as course marshal and designed a unique and challenging course design with a cross-over and three slaloms. Each slalom was set up differently with a driver's choice of direction in one case, an increasing spacing between cones on the fast West-side, and a tricky slalom around a slight curve. This was a course that truly rewarded those, who walked the course a few times. It was a long course with a lot of challenges. There were several of us recording DNF's. My excuse was that spent too much time standing on the accelerator and blew past my turn-in point. It was another hot summer day, but again the participants shared the setup and teardown labor. It was a very good event. We had 41 Autocross competitors and that is awesome!

This event meant different things to different drivers today. We had a nice group of weekend members. All of whom seemed to pick up time-saving driving methods and steadily improved their times through the day. It's great to see these new drivers hit the course. There are still tight races for Berry Points and Autocross championship points and those drivers aren't backing off at all. The other group that I want to mention is our Southern Indiana Region group that will be competing in the SCCA Solo Nationals in just a few days. Jr. allowed us to modify his course design just a little to create a "Nationals Start". It was different and great opportunity to practice something we expect to see in Lincoln next week. We will bring back pictures and stories for sharing at our September Membership meeting. That meeting will be held at Smitty's Italian Steakhouse in Evansville on Tuesday, September 13. We'll gather around 6:00 PM for bench-racing, begin eating around 6:30, and then start the meeting at about 7:30. We'll shoot for finishing the meeting at about 8:30. I'm sure we'll have stories to tell! We have nine drivers registered for the Nationals: Paul Dornburg, Terry Davis, Richard Grav, Jr. Crowe, MacKenzi Crowe, Don Kelly, Tatsuo Noda, Barry Beaman, and I. Paul and Terry have been coaching the group on everything from registration to practice sessions. We'll be located together with our paddock assignments right next to each other. You should be able to go online and watch if you would like.

We had a nice turnout for the Ice Cream Rally. As usual, I had a great time. The Rally route takes you through some beautiful Kentucky hills and wooded areas. The roads are in great shape and the turns make it a very enjoyable day, Paul Dornburg not only served as the event Marshal, but sprang for ice cream afterwards. If you missed this event, hang on because I believe it will come back around next year! There will be a Rally event in just a few days. Ben Davis is the event Marshal for his "Remembrance" Rally that will be held on September 11th. Please watch the website, Facebook, and e-mail notices for the Rally meeting point information.

At this time, we are planning on working with Toyota (TMMI) to run a TMMI employees' Autocross event on September 17th at our usual time at the MAAC in Lawrenceville. This is a Saturday event and is primarily a Toyota employee activity. We will need SIR members to help set-up and manage this. It will not count as a points event for us, but we do anticipate that those members, who work the event will get to drive the course. We will have regular SIR points Autocross the next day, The plan is to leave the course layout as it set up for the TMMI event. Those that work and run the course on Saturday will have an advantage on Sunday. Again, please watch our website, Facebook, and e-mails for information.

We have cancelled the September SIR Board of Directors meeting. A majority of the BOD will be at the Nationals and unavailable for the meeting.

Wish us luck at the Nationals, please. We've got a big group of 9 going, but there are 1327 registered. There are 40 drivers in my class alone! (and 85 in Noda's: *Ed note*) The next time we see you we should have lots of Nationals stories.

SIRSCCA

Board of Directors Meeting

August 2, 2016

Present: Dave Lehrsall, Regional Executive; Richard Grav, Assistant Regional Executive; Paul Blaylock, Activities Chair; Bob Sonntag, Treasurer; Lora Blaylock, Secretary; Paul Dornburg, *Pit Stop*; Matt Beasley, Advisor; Terry Davis, Stacy Grav, guests

Regional Executive Dave Lehrsall welcomed everyone and called for officer reports. Treasurer Bob Sonntag reported that the club expects to receive over \$400 back from the SCCA due to incorrect invoicing. He also noted that the mailing costs for *Pit Stop* have risen about \$10. Activities Chair Paul Blaylock reported that he has received 36 RSVPs for the August Membership meeting at the Log Inn. He has fixed an error in the last points release - he inadvertently entered Paul Dornburg's points on Maurie Light's scoring line. He will soon order a new supply of First Place trophy glasses. Paul Dornburg reported that *Pit Stop* is available online and should arrive in mailboxes by the end of the week. Matt Beasley noted that he still has Maurie Light's 3rd place trophy for last year, and plans to deliver it at the next autocross. He also thanked the Board for the donation to the Vanderburgh Humane Society in memory of his father. Dave thanked Paul Dornburg for sharing information about how to get ready for Nationals.

In review of recent events, it was noted that autocross numbers are up, despite the lower (still over 20 entrants) turnout on July 24 when it was so very hot. The numbering of corner stations has not yet shown any added value, but the practice will be continued for now. Discussion continued about having a person who can answer questions about DNF/cone penalties. It was also noted that attendance at the July membership meeting was low, and that more reminders would be used in the near future.

In upcoming events, Paul Dornburg noted that the Ice Cream rally is ready to go. A few turns have been changed from prior years due to road construction. RSVPs are coming in for the August Membership meeting at the Log Inn; a last push for responses will be made via email. Junior Crowe will Marshall the August 28 autocross.

Dave has been keeping track of all the information being put out by TMMI about their September autocross. Contrary to prior impression, the later shift workers have no problem with our customary start time of 12:30/1:00 p.m. He will get a preliminary list of attendees to help us gauge if we will need additional loaner helmets. Paul Dornburg will get a drawing of the TMMI course to Dave for TMMI publication.

Paul Dornburg spoke to Dave at SPS about purchase of new helmets. They do not offer a volume discount for a purchase of less than 20 units.

In new business, parking at MAAC was discussed. We've been creeping into the area used by the Soaring Club. Cones were used to mark the parking boundaries at the last autocross with success. Bob noted that the painted lines marking our parking area were still workable. He also spoke with the Soaring Club and found

that if needed, we could park closer to a line even with the pavement around their hanger. We can also ask non-entrant cars to park on the grass east of the road. Bob will re-marked the paddock area and has marked the club trailer parking spots.

It was noted that many Board members will be unavailable for the September board meeting. It was decided to cancel, and if business arises, the Board can meet prior to or after the September Membership meeting.

In other new business, Matt and Dave will get together soon to review paperwork for SCCA. Paul Blaylock will have Steve Yockey send Terry Davis the starting points for his late-season rallies so insurance may be obtained.

As there was no further business, the meeting adjourned.

SIRSCCA

Membership Meeting

August 9, 2016

The Log Inn

Dave welcomed everyone and thanked them for coming out to the August membership meeting. It was moved, seconded, and agreed to dispense with the reading of the minutes. Treasurer Bob Sonntag noted that we have more funds in the bank than last month, not including an expected return of an overpayment to the national office. He also reminded the assembly that sew-on SIR patches are available for a mere \$5 each.

Activities Chair Paul Blaylock noted that all events have marshals and masters. Junior Crowe's autocross is coming up at the end of the month - plan now to be there! Points are current as of the most recent issue of *Pit Stop*. Paul Dornburg encouraged all to submit articles for *Pit Stop* - early, if possible, for the September issue.

Trophies were awarded for the July 24 Autocross, marshalled by Richard Grav. A good course was enjoyed by over 20 entrants, despite the brutally hot temperature. Thanks to all those who came early and took turns with the blowers to clear the course. Tom Bootz is making a habit of earning perfect scores this season.

In addition to planning to compete in the August 28 autocross, mark your calendars to join the rally on September 11. Ben Davis has planned a route starting from the Pagoda on Riverside Drive in Downtown Evansville.

Barry Schonberger reported that he recently had been in touch with Ivan Jerome, who has been researching the history of racing in the Evansville area. He gave a great presentation on the early days of Evansville racing at the April, 2015 Membership meeting and may have a more information to share with us soon. He also found an original poster advertising automotive races at the Lawrenceville airport. 11"x17" copies are available now for a nominal price. Wall-poster size copies will be available soon. Let Barry know if you are interested in either size.

The assembly enjoyed a time of socializing and the famous fried chicken of the Log Inn. The door prize was won (again!) by Ernie Roales, after which, the meeting adjourned.

Notes: The times reflect any 2 second penalty per pylon; the pylon count is shown in the penalty column.

In instances where there were would have been no times for the second set of runs because of DNF/DNS runs, times were created by adding 2 seconds to the competitor's slowest run time.

Where possible, DNF runs show the raw time.

Class results are by single best run. Autocross points are by indexing the combined best first heat run and the best second heat run.

B: Driver in SIR/SCCA bonus program. The driver's best three of four runs of each heat are shown in these results.

T: Trophy winner.

SPORTS CAR CLUB OF AMERICA

SCCA: A club with many interests

Many faceted in its endeavors, the Sports Car Club of America (SCCA) might best be described as a service organization. It serves over 50,000 members throughout the United States by sanctioning and administering a variety of automotive related activities through more than 115 independently chartered regions. No other single motor sports organization in the world conducts more events than the SCCA. These events range from amateur and professional road racing to road rallies, autocrosses, rally crosses, hill climbs and auto shows. The SCCA is an ever-growing organization for the automotive enthusiast. Because the SCCA is member oriented, the club stresses participation on a broad basis. Regardless of your experience or background, if you are an automotive enthusiast there is a place for you in the SCCA. The avenues available range from amateur or professional road race driver to weekend rally or autocross driver to race worker or official. In order to successfully sanction and conduct a comprehensive autocross/rally/road racing program many experts in timing and scoring, communications, safety inspection, medical, flagging, course/race control and other skills are needed. Schools are held to train the drivers and workers and various degrees of licenses are awarded based on knowledge, ability and experience.
