

SCCA Southern Indiana Region Monthly Newsletter October 2016 Volume 63 Number 10

October REport from Dave Lehrschall

Each month I get to put together an article that focuses on our Southern Indiana Region's activities and two of my favorite interests; Autocross and Rally. This month presents a tougher challenge than most to cover these topics, because there has been and still is so much going on. We have competitive events on our schedule and we have nominations for our club officers due in October. You're going to want to mark your calendars!

Our SIR Autocross season has been outstanding. The SIR Solo Nationals team has returned and each of us has lots of photos and stories to share. Nine of us went to the 2016 Nationals. We're shooting for 10 or more for next year. I had a great time and I spent it with great people. Veteran competitors Paul Dornburg and Terry Davis guided our team of rookies through the event. Thank you, Paul and Terry. We've just managed a Toyota employee's Autocross event that went very well SIR volunteers worked the event to ensure it was safe and enjoyable. Many of the participants commented that they really enjoyed themselves. Hopefully, we'll see another group become regular SIR members.

Paul Dornburg was the event marshal for our 6th of 7 Autocrosses. The course was unique and more open. More choices led to a wider range of driving strategies and times. We have a large number of drivers grouped in the top ten positions for the 2016 SIR Autocross points championship. Paul Blaylock will be the event marshal for our last points Autocross. Tom Bootz has had a fantastic season and has the number one position locked up. The other positions are all still up for grabs and Paul's October 2, Autocross will present this season's last opportunity to earn points and secure a higher finishing position. Jr. Crowe and I are eyeing 5th place while Richard Grav and Barry Beaman are battling for 3rd. Jeff Jackson appears further down the list, because he has one less event included. If Jeff runs well (as normal) on Oct 2nd, Jr. and I could be competing for 6th place as Jeff takes 5th or higher. Bragging rights are still up for grabs!

Our Rally season has seen some very well attended events this year. Ben Davis was our Rally master for the 5th of 7 Rallys for 2016. The Rally was held on September 11, and was appropriately named "Remembrance." Terry Davis and Bob Sonntag took first place in A-class with a score of low score of 60! Dawn Sturgeon and Kayla Moore took first place in B-class with a score of 260. Sue and Ernie Roales were a close 2nd with 278. Ben noted that no one gave up and there were no major "oops" in the Rally instructions! Stephen and Julia Yockey have teamed up to design and manage the last two Rallys of our season. Steve will be the Rally master for the October 23rd Rally and Julia the Rally master for the November 6th Rally. We meet for Rally registration at 12:30 PM (Central time) and usually finish at about 4:30 PM. Steve's Rally is the "Spooky Rally." It's Halloween themed. There will be a small game within the Rally, but it will still be a regular points Rally. The meeting point is the Donut Bank in Princeton, IN. Trick or Treat!

Per our by-laws, we will nominate candidates for SIR officers during our October meeting, The voting by written ballot will take place during our November meeting and then the officers will be installed during the December meeting to serve for one year. The process is pretty straight forward, but we need to talk with those we might nominate to be sure that they would serve if elected. We have lots of well qualified members with energy and great ideas. Think about how they or perhaps you might fit into one of these positions. You can self-nominate if interested. Those, who are interested, should seriously consider serving if nominated. I know from experience that members of the Southern Indiana Region will support you as you serve. The by-laws define the responsibilities of each position. The list appears long for some positions, but there is plenty of room for improvisation and innovation in each. I encourage you to participate in this process. Please give nomination of yourself or others serious consideration and vote in November.

Our next SIR membership meeting will be held at Smitty's Italian Steakhouse in Evansville on Tuesday, October 11. We'll gather around 6:00 PM for bench-racing, begin eating around 6:30, and then start the meeting at about 7:30.

SIR-SCCA

Membership Meeting

September 13, 2016

Assistant Regional Executive Richard Grav called the meeting to order, welcomed all, and called for officer reports. The reading of the minutes was dispensed with upon motion and second. Treasurer Bob Sonntag noted that the club is solvent, and has earned \$90 in the sale of SIR patches. Activities Chair Paul Blaylock reminded all to come out this weekend, first to work the TMMI event on Saturday, and second, to run the same course for themselves on Sunday. Assistant Activities Chair Junior Crowe encouraged all to check their copy of *Pit Stop* for the page about Larry's Automotive. Larry's will make a donation to SIR based on service or products purchased at the business. Paul Dornburg welcomed articles for *Pit Stop*, and reminded all that the deadline to turn items in is the last Wednesday of the month.

Participants at last week's SCCA Nationals shared their experiences. A great time was had by all 11 SIR folks. MacKenzi Crowe came in 10th place in her class and "Barbie," her pink Mazda Miata, will be written up in a future Mazda Motorsports issue! MacKenzi is looking into encouraging more female involvement in the local competitive driving scene. Richard Grav noted that being among so many accomplished competitors was humbling, but great fun. Noda Tatsuo was in a class of 86 cars where some positions were separated by .001 second! (Sadly, Noda is headed back to Japan soon - we'll miss you!) All expressed gratitude for the leadership of Paul Dornburg and Terry Davis on the trip - and for the shirts! Thanks was also expressed for Carolyn Dornburg's good humor and support. Those of us who remained in Evansville were grateful for all the social media posts of our SIR friends while in Lincoln. We lived vicariously through them!

Trophies were presented for Autocross #3, Terry Davis' "We Don't Need Any Stinkin' Name." Forty-seven entrants had a good time in Lawrenceville on July 10. Tom Bootz won the day in his blue BMW with a perfect score in A Street. Five others in various classes followed with scores above 950.

The annual Ice Cream Rally in Owensboro was well attended, with seven teams participating. Class A won the day; team Davis/Sonntag were the leaders of the pack, earning a zero on one stage and finishing the event with a mere 22 points. Four of the seven teams scored under 150. And of course, ice cream was enjoyed at the conclusion - thanks, Paul and Carolyn Dornburg for a fun and tasty afternoon!

Autocross #5 was designed by Jr. Crowe and held on August 28. Forty-one entrants found that "X" Marks The Spot. Once again, Tom Bootz lead the way with a perfect 1000 points. Seven others over all classes earned scores above 950. Richard Grav and Jr Crowe, both driving Richard's black Solstice, kept things interesting, with each one's best time less than half a second apart and finishing the day within 11 points of each other.

As mentioned earlier in the meeting, SIR is running an autocross this Saturday (September 17) for TMMI. This is a fundraiser for the club, and folks are needed to set up the course and run the event. While not a bonus program eligible event, Berry points will be awarded to workers. In addition, we hope to have time for workers to run the course at the end of the day. The course has been designed by Paul Dornburg and will serve as the course for autocross #6 the following day.

On Sunday, October 2, Paul Blaylock will design the course for the last autocross of the year in Lawrenceville. Plan to come out and see what fun he's planned! The rally program will pick back up in late October with an afternoon starting at the Donut Bank in Princeton. Mark your calendars now to see what team Yockey has in store for us on October 23.

If you've ever thought about joining the board, next month is your chance to speak up! Nominations for the 2017 Board of Directors will be received at the October membership meeting on the 11th. And, if you'd like to visit a Board meeting before deciding to take the plunge, join the crew next month on October 4 at Ciholas in Newburgh.

The door prize was won by Jr. Crowe, after which, the meeting adjourned.

2016 Nationals Experiences

Terry Davis - I look forward to the Nationals week every year. It is the culmination of all the prep work throughout the year (admittedly all on Paul, who is intimate with every part of the car.) my prep is to be the best tire warmer I can be, staying in shape and pushing myself in the car every run.

I was very impressed by the effort & enthusiasm of all the SIR members who made the trip. Every serious autocrosser should step into the big pond at least once, then you'll be back because it is addictive.

Tatsuo Noda – I got great experience for two different types course and weather condition from the Nationals. Good opportunity of the Nationals level race car and driver's skill benchmarking. Many people were participating in this event and proceeds smoothly. (over 1300!)

Jr. Crowe - Nationals was the most exciting yet humbling experience I have ever had. There are no words to describe the feeling of nervousness you get in paddock before you run. Two things stand out as being impressive. 1st, the cars and skill of drivers wheeling them. 2nd, how they managed 1300 drivers doing 6 runs in 4 days.

Don Kelley - The "SCCA Solo Nationals" intimidation began with just thinking about the title, elevated to the level of "what am I doing here" when entering the gate seeing the crowded virtual city, street after street of campers, tents and vehicles ranging from hot looking to flat crazy, then resounded in the crescendo of "this is going to be bad" upon pulling into the test and tune grid. Through all, the comfort came as Paul and Terry guided and physically escorted us at the venue and all over town and real enjoyment was when they along with Johnathon, MacKenzi, Richard, Stacey, Dave, Noda and Carolyn took us in like family, showed up with support and cameras during Barry and my heats during the days, and shared memorable times after hours. "Thank you all for the priceless experience"

Dave Lehrschall – For four days I got to extend my thoroughly enjoyable hobby as a "Sunday racer" and experience extended preparation routines (Registration/Tech, Test & Tune, and numerous Course Walks) as a serious driving competitor to compete against the best Autocross drivers in the country. Thirteen hundred (plus) competitors came together, went through minimal required activities, pulled into grid spots as assigned, and then managed to drive "all out" every fifteen to twenty seconds on two courses for 9 to 10 hours for four days until every competitor had driven 3 furious runs on each of the two courses.

Barry Beaman - I was pleasantly surprised - the Nationals was a very busy place. No sitting around or "hurry up and wait" here. Plenty to see - "check out that Maserati, look at the size of that turbo on the Honda Team S2000 SSM! Whoa - the prototype Acura NSX! It does exist! When do we eat?" It was actually a blast to work the course and see the driving lines and techniques used by these awesome drivers. I worked the course during DS predominately Ford Focus, most on three wheels, FM (Maurie, you would fit right in...) STRL ladies class driving mostly mildly modified S2000's and Miatas - doing very well and very fast! (come on ladies!) All in all, it was a great time - and I was able to beat on someone else's car, (Thank you Don Kelly!) I hope for better driving result next time. It was super having our own SIR community in the paddock. Many thanks again to Paul and Terry for guiding us newbies through the maze, making for an awesome, enjoyable experience.

MacKenzi Crowe - The experience for me was honestly indescribable. The out pouring of support, not only from our region but others as well, encouraging people to do the best was amazing. I was impressed the most by the caliber of drivers out there. It was awesome to watch, to experience, and to compete against them.

Richard and Stacey Grav – Nationals is an event everyone should try at least once. We plan to make it an annual trip not just for the autocross event but for the people you get to meet and friends you make. Do plan to be humbled when you pull into the paddock area. You can sense the enormous amount of experience and talent the second you enter the gates. But don't let this intimidate you because the people you meet are amazingly helpful and willing to share their experiences, stories, tips and tricks.

Paul Dornburg – It's been a long time since I've been at Nationals with new people. Watching their reactions and listening to their comments was great fun. I was enthused by their enthusiasm. I didn't drive well the first day, the rhythm of the course eluded me. On day 2 I drove much better and was very pleased with my results. One of my friends said, "You got a top 10!" 9th actually.

SPORTS CAR CLUB OF AMERICA

SCCA: A club with many interests

Many faceted in its endeavors, the Sports Car Club of America (SCCA) might best be described as a service organization. It serves over 50,000 members throughout the United States by sanctioning and administering a variety of automotive related activities through more than 115 independently chartered regions. No other single motor sports organization in the world conducts more events than the SCCA. These events range from amateur and professional road racing to road rallies, autocrosses, rally crosses, hill climbs and auto shows. The SCCA is an ever-growing organization for the automotive enthusiast. Because the SCCA is member oriented, the club stresses participation on a broad basis. Regardless of your experience or background, if you are an automotive enthusiast there is a place for you in the SCCA. The avenues available range from amateur or professional road race driver to weekend rally or autocross driver to race worker or official. In order to successfully sanction and conduct a comprehensive autocross/rally/road racing program many experts in timing and scoring, communications, safety inspection, medical, flagging, course/race control and other skills are needed. Schools are held to train the drivers and workers and various degrees of licenses are awarded based on knowledge, ability and experience.
