The Pit Stop

SCCA Southern Indiana Region Monthly Newsletter March 2018 Volume 65 Number 3

March REport from Dave Lehrschall

Our March 4th Snow-buster Autocross at Robert's Park was a huge success! It was a little chilly at first, but we had sunshine, temperatures climbed into the mid-fifties, and we had a very nice turnout. We started the first vehicle on course before 11:00 AM and ran without problems all day long. The second car on course was piloted by yours truly. I cleared the start timing system and the first gate, but soon re-discovered just how guickly you can go from hard charging a straight line to getting a panoramic view of the park as the vehicle's rear-end worked to get to the next gate before the front-end. I could take credit for creating the crowd-pleasing maneuver, but it was obvious to the drivers observing that I just jumped on 2nd gear too hard, too fast. Obviously, I threw away a timed run opportunity with my spin, but the action reminded me of something important - safety!

We had just completed our annual Solo Safety Steward training and many aspects of that training came into play during my spin. We do not advertise our Autocross events as spectator events, but a crowd had formed on the grass running parallel to our approach to the first turn. I did not use up the pavement between the course and asphalt edge as I spun. Our course designers and Safety Stewards had set the course more than the minimum required distance from that edge providing plenty of space for my error. The spectators had been coached to remain well off the paved surface and behind a boundary that had been established to create a significantly greater "prohibited zone" along the course edge. We always go through a list of safety items during our drivers' meeting. One of those items is a reminder to leave spun or spinning vehicles alone unless summoned by the driver. I thought about this later, but I must admit that mid-spin I did not even consider a course worker rushing to provide assistance. I believe I pushed the clutch to the floor, hit the starter, and then started accelerating towards the first turn before my spin was done. That instruction to course workers has more meaning for me now.

My spin was not that unusual, and it was nothing close to an incident, but it served to remind me why we train our Solo Safety Stewards and review our safety rules in the drivers' meeting. Those enthusiastic first-time participants might have rushed to help if not coached beforehand.

SSS training and Autocross basics are not the only "off-season" courses we offer. Bob Sonntag will lead instruction for running Road Rallys on Saturday, March 10th from 9:00 AM until 12:00 PM at the Evansville Central Library. The training will be held upstairs in the Large Group Room. The rally school will focus on running a rally. Key topics include definitions, main road rules, and best practices. The first points Rally is scheduled for March 18th. Paul Dornburg will be the Rally Master, so get ready to drive some nice, gently curving Kentucky back-roads.

Don't forget to mark your calendars for our Patch Parties. These are scheduled towards the end of April. If you work a full Dig or Fill day you can qualify for our Bonus (Runs) Program and you will get an extra run during the first session, all year long. If you work two of the available Dig and Fill days, you will get an extra run during the first and second sessions all year long. One run per session may not sound like much, but it gives you 33% more competitive time on the course. History shows that most of us turn our best times on the last run. Please watch our calendar, check our Facebook information, and mark your calendars to join the Patch Parties. We think that we will have two days of digging and one day to fill. This may change due to the actual work we have to do, speed of our Patch Party teams, weather, etc. Please don't plan on working the last two possible days! Consider working the first days to be certain you get two days in and get your two bonus runs. It is possible that we could finish with one Dig day and one Fill day.

Membership meetings will be held on the second Tuesday of each month and our Board of Directors meeting on the first Tuesday of each month. Our next membership meeting will be held on Tuesday, March 13th, 2018 at Smitty's Italian Steakhouse in Evansville. We'll begin meeting informally around 6:00 PM, begin eating around 6:30, and then start the meeting at 7:30 PM (Central). We hope to see you there!

SIR SCCA Board of Directors Meeting February 6, 2018 First Presbyterian Church

Present: Dave Lehrschall, Regional Executive; Richard Grav; Assistant Regional Executive; Bob Sonntag, Treasurer; Lora Blaylock, Secretary; Paul Dornburg, Pit Stop; MacKenzi Crowe, Women of SIR; Terry Davis Advisor, Dawn and Michelle Sturgeon, guests.

RE Dave called the meeting to order, welcoming Dawn and Michelle. Secretary Lora thanked everyone for moving the meeting from Ciholas to First Presbyterian, as AC Paul Blaylock is ill this evening. Bob reported that the club has ample funds on hand and a credit at SCCA. In addition, the club trailer registration sticker has been received. Paul Dornburg noted that Pit Stop has been sent via USPS and is available online. MacKenzi is looking for someone to head the Women's Committee and work in partnership with her. The Board supports this idea, and Dawn Sturgeon agreed to chair the committee. A motion was made, seconded, and adopted to appoint Dawn the Women's Committee chair. A notice will be put in Pit Stop soliciting additional committee members.

In Old Business, the 2018 autocross schedule has been sent to the MAAC and FAA for review and approval, but a reply has not been received. In this case, no news is good news. The February 24th SOLO Safety Steward and Autocross 101 classes are ready to go. The room at the Evansville Central Library has been reserved for the afternoon. Paul Dornburg is willing to schedule a 'makeup' time for potential SSS who are unable to attend. The classes will be followed by a fun autocross on March 4th at Roberts' Park. Insurance and permissions have been secured bv Terrv (thanks!). Paul Dornburg will be the event marshal and will do as much setup as possible the day before. Richard will bring the trailer (with repaired lights and registration sticker) from Vincennes. The event timing will be earlier than usual, and extra help will be needed.

Preparations for the March 10th Rally school are in hand, with the room reserved at the Evansville

Central Library for the morning. A poll of the assembled garnered more interest in how to create a rally over how to participate in one. The school will be followed by Rally #1 on March 18th. Paul Dornburg will be the Rally Master and may need course workers.

Jr is still pouring over Kart materials and information. The operational rules are like other SOLO rules, but the technical specifications are deep. He and MacKenzi will be the club's go-to folks as we look to start a Kart program.

The January membership meeting went well, and Dave has communicated with the folks at Smitty's about our 2018 schedule.

In New Business, information and nominations for the SCCA Wendi Allen Scholarship Fund were discussed. Paul Dornburg has sent in a nomination for MacKenzi but has not heard anything. He will copy his letter to the Board as a template for further nominations. Candidates discussed included Dawn Sturgeon, Stacy Grav, and Stacy Metz, who will be contacted to see if they are interested in being nominated. MacKenzi will see if there are others who are interested in a nomination.

A new autocross class has been announced for 2018: Solo Spec Coupe, which requires a specific tire. Tech workers will have to keep an eye out for this new requirement.

Paul Dornburg wondered if we should have a 'household discount' for autocross participation: if two or more members from the same household, should we discount the competition fee? He will work through potential numbers and report back.

The board discussed the need for a person to coordinate the club's social media presence. Paul Dornburg does a bit of Facebook for the club, but other platforms like Instagram and Twitter could broaden our exposure. Richard will talk to Stacy and Breeze Grav about taking on this job.

A Region Development Grant is available from SCCA. Should we apply for funds to upgrade the timing and scoring equipment? The system is old, but simple to use and teach and very reliable. We also have a considerable supply of spare parts. Dave will look into the specifics of the grant and see if there is another project in the future that the club may want to fund in with this grant.

SCCA has announced a new program: Time Trials. The first event will be later this year at the NCM track in Bowling Green. Multiple cars are on the track at the same time, but racing is against the clock. It looks like the fee will be \$300-\$400 and will include a license.

Dawn shared an idea she has for raising funds to help promote SIR Women's events: magnetic and vinyl numbers for club cars. Orders would be taken, and members of the Women's Committee would make them for cost plus \$5. T-Shirts could also be made. The Board encouraged Dawn to finish researching materials and return with costs so the board can advance the startup funds. It was noted that SIR members Jay Wolf and Gene Young may have materials information to share.

As there was no further business, the meeting adjourned.

SIR SCCA Membership Meeting February 13, 2018

Regional Executive Dave Lehrschall welcomed all to the meeting, noting that there were no visitors in attendance. He thanked Megan from Smitty's for her service this evening. Secretary Lora Blaylock reminded all that Board and Membership meeting minutes are available to read in every issue of Pit Stop. Treasurer Bob Sonntag reported that the club's finances are in good order. He called to the club's attention page 74 of the current issue of Sportscar, where 45-year club members Terry Davis and Mike Freeman were mentioned. Activities Chair Paul Blaylock noted that we have events, and to be in touch with him if you want to earn first-place points by running a competition event. Assistant Regional Executive Richard Grav shared proofs of the 2018 schedule handout cards, noting that they should be available at next month's meeting. T-Shirts with the same info have been ordered in a small quantity. If you are interested in a t-shirt, please contact Richard. Dave reported that, at the February Board meeting, Dawn Sturgeon was appointed Women's Committee chair.

In Old Business, Dave solicited members for a Committee to review the By-Laws. Richard Grav, Paul Dornburg, and Bob Sonntag stepped up for the task.

Early events from the 2018 schedule were reviewed. Dave noted that the calendar is still marked as 'draft', as the club is awaiting to hear from the MAAC and FAA on autocross date approval.

The February 24th SOLO Safety Steward and Autocross 101 classes are ready to go. The room at the Evansville Central Library has been reserved for the afternoon. Paul Dornburg noted that if attendees want to get a head-start, they should review pages 12-39 of the SOLO rulebook. The classes will be followed by a fun autocross on March 4th at Roberts Park. Paul Dornburg will be the event marshal and will do as much setup as possible the day before. The event timing will be earlier than usual, and extra help will be needed. Dave reminded all that there is no room for trailers at Roberts Park.

Preparations for the March 10th Rally school are in hand, with the room reserved at the Evansville Central Library for the morning. Class material will focus on how to create a rally and possibly how to improve accuracy when participating in one. The school will be followed by Rally #1 on March 18th Paul Dornburg will be the Rally Master and may need course workers. Rally #2 is scheduled for April 8th.

The annual Patch Parties at the Mid-America Air Center are set for mid to late April. Cut day is 4/14, followed by the dig day on 4/21. If needed, a second dig day will be 4/22. Fill day will be 4/28, with 4/29 in reserve for a second fill day if needed. There is a chance that all the digging and filling will be completed in two days, so plan accordingly if you want to maximize your participation in the bonus (run) plan.

Dave noted that the club continues to emphasize the need for proper vehicle identification. Please review the SOLO rule book for specifics on the size and color requirements for your car numbers and class. If you were not assigned an autocross number last year, and plan to participate this year, please be in contact with Dave to get your number assignment. New Women's Committee Chair Dawn Sturgeon will soon be taking orders for custom vehicle numbers. These will comply with SCCA requirements, support the club financially, and get your car numbered at a bargain price. More details will be available soon!

As there was no further business, the meeting adjourned after Richard Grav won the door prize.

March Member Anniversaries

Club Competition Events:

3/10 Road Rally School, attend and find get tips to compete successfully in a Road Rally

3/18 Point Rally #1, Brunch Rally, apply your school learnings here and enjoy a delightful brunch at Windy Hollow restaurant before a 2 hour jaunt through southern Daviess county Kentucky. The event ends at a Dairy Queen where free ice cream will be available. Winners get sprinkles!

Club Social/Work Events:

3/13 March Membership Meeting at Smitty's Italian restaurant on Franklin Street in Evansville. Arrive around 6:00 PM, eating commences about 6:30 and club business meeting is at 7:30. One Berry (participation) point for everyone who attends

3/17 Patch Party Prep visit, a few club members will walk the autocross site and mark areas of concrete to be repaired at the April Patch Parties. The group will consist mostly of Board members, but all are welcome to walk the site and offer opinions on what might be repaired. This event does not award any Berry (participation) points.

4/3 Board meeting at Ciholas in Newburgh. This is a monthly meeting of the Board where issues are discussed and resolved. The range of topics is broad and covers events, meeting, rules, by-laws and general club operation. The meetings are open to everyone in the club not just Board members.

We held our Snow Buster autocross on Sunday, March 4th and it was a great event. 51 drivers showed up to test their precision driving skills on the slippery pavement at Roberts Park, site of the now defunct Roberts Stadium. There were a lot of new faces as well as some old faces we haven't seen in some time. Richard Grav, in his wife's new Miata MX-5, narrowly beat out Paul Dornburg, in his brand-new Porsche Cayman GTS, for the autocross points win. Steve Wright, Junior Crowe, Barry Beaman, Don Kelley, Dave Lehrschall, MacKenzi Crowe, John Schwartze and James Nichols rounded out the top 10. James Nichols had the fastest raw time of the day, 33.730, in a Lotus, followed by Dornburg in his new Porsche. The regular season begins in May with a Test and Tune on Saturday, 5/19 and Points Event #1 on Sunday, 5/20. It looks like it's going to be a great season.

SPORTS CAR CLUB OF AMERICA

SCCA: A club with many interests

Many faceted in its endeavors, the Sports Car Club of America (SCCA) might best be described as a service organization. It serves over 50,000 members throughout the United States by sanctioning and administering a variety of automotive related activities through more than 115 independently chartered regions. No other single motor sports organization in the world conducts more events than the SCCA. These events range from amateur and professional road racing to road rallies, autocrosses, rally crosses, hill climbs and auto shows. The SCCA is an ever-growing organization for the automotive enthusiast. Because the SCCA is member oriented, the club stresses participation on a broad basis. Regardless of your experience or background, if you are an automotive enthusiast there is a place for you in the SCCA. The avenues available range from amateur or professional road race driver to weekend rally or autocross driver to race worker or official. In order to successfully sanction and conduct a comprehensive autocross/rally/road racing program many experts in timing and scoring, communications, safety inspection, medical, flagging, course/race control and other skills are needed. Schools are held to train the drivers and workers and various degrees of licenses are awarded based on knowledge, ability and experience.

Pit Stop is the official publication of the Southern Indiana Region of the Sports Car Club of America, Inc. and is published monthly at PO Box 1112, Evansville, IN 47706. Opinions expressed herein are those of the authors or editor and are not necessarily those of the Southern Indiana Region, its officials, members or advertisers. Permission to reprint material from *Pit Stop* is granted to all SCCA regional publications and its national publication, *Sports Car*, with regards for full credit to the author and *Pit Stop*. Hi Mom! Happy Easter!
