The Pit Stop

SCCA Southern Indiana Region Monthly Newsletter July 2018 Volume 65 Number 7

July REport from Dave Lehrschall

The topic of this month's Pit Stop article is a serious one. It's also one that should be a source of pride for our Southern Indiana Region's membership. I want to talk about safety and our club's attitude towards safety. We've had two very recent challenges to decide whether our anticipated club activity should roll along as planned or we should interrupt it in the interest of safety.

We have a script that we follow as a part of our autocross event drivers' meetings. This ensures that everyone is informed of what is about to happen and how (in the interest of safety) we will manage the event. Bob Sonntag leads the drivers through this with an opening question, "What's our number one rule?" Our returning autocross participants answer in unison, "Don't get hurt!" We all

understand or should understand that when we go out onto the course with our accelerator pressed to the floor or we take up positions at corner stations on course there is the potential for danger. We come to the event anticipating the thrill of driving a vehicle at the edge of its control and the company of friends. Bob's reminder to stay safe is intended to bring our focus back to first keeping ourselves and others safe.

Management of safety requires a lot of factors, but I believe a plan, communication, discipline, and club support are key to maintaining safe events. Our SCCA® National Solo® Rules, SIR Competition Regulations, and By-laws provide a plan for safety. Our Event Marshals, Safety Stewards, and experienced club members, like Bob, Terry, Paul, and others do not hesitate to look out for other club members' well-being and to speak up whenever a participant's safety might in any way be in doubt. We speak of safety planning, communication, and discipline, but I cannot overstate just how important club support for safety is to all of us.

On June 10th we had one of the best attended autocross events in years. The re-run of the prior day's 2nd Annual Ladies Only course designed by Mackenzi Crowe was fun and the competition close. The first group had nearly finished their second set of runs when the rumble of thunder and a distant flash of lightening prompted us to clear the course and to ask everyone to seek shelter. I was working as a safety steward and had spotted the lightening. I was amazed at how quickly everyone responded to my request to clear the course. The same people, who had been working the course, had been planning on besting their earlier runs. Ending the day early had to be disappointing for most. I know that it was to me. Despite this, not one person questioned the call to seek shelter or to call the event once it was clear the storms were going to last. The club's support for safety was clearly there.

No less significant was the serious, yet supportive approach to the extended tech inspection of one of our most active SIR member's vehicles. Mike has built a Modified Class Fiesta that is a radical departure from our typical Street Class vehicles. This has made questions regarding features, rules, and safety harder to answer. Add Mike's dedication to our club and his legendary jack-hammer work at our patch parties and the prospect of really challenging his creation became something we did not want to do. However, our concern for his safety and for the safety of others prompted us to continue. We worked with Mike to review the rules and to work through solutions. To Mike's credit, he patiently worked with us to make a few changes and put our safety concerns to rest.

I'm proud of Mike's response, the Tech Inspectors that dug a little deeper, and the Southern Indiana Region members, who always put safety first and focus on rule number one, "Don't get hurt!"

Our next membership meeting will be held on Tuesday, July 10, 2018 at Smitty's Italian Steakhouse in Evansville. We'll begin meeting informally around 6:00 PM, begin eating around 6:30, and then start the meeting at 7:30 PM (Central). Smitty's supports our meetings with a no-charge, dedicated meeting room. Join us and help repay Smitty's support for the SIR. We hope to see you there!

SIR SCCA Board of Directors Meeting June 5, 2018 Ciholas, Inc.

Present: Dave Lehrschall,
Regional Executive; Richard Grav; Assistant
Regional Executive; Bob Sonntag,
Treasurer; Paul Blaylock, Activities Chair; Jr
Crowe, Assistant Activities Chair; Lora
Blaylock, Secretary; Paul Dornburg, *Pit Stop*;
MacKenzi Crowe, Women's Chair; Dawn
Sturgeon, Women of SIR; Terry Davis,
Advisor.

RE Dave called the meeting to order, sharing information of an impromptu conversation about a car/driver who is interested in autocrossing. The vehicle needs significant changes to comply with the rules: doors or window curtains; brakes on all 4 wheels; possibly a roll bar. It was confirmed that SCCA rules say that if a condition is not explicitly stated as permissible, then it is not allowed. Dave will share the specific requirements and any other concerns with the driver via email, noting that the car will not be allowed to run unless the requirements are filled.

Treasurer Bob reported that the club has sufficient funds to cover its current expenditures. AC Paul Blaylock has ordered an award plaque for Jeremy Crowe, 2017 Rookie of the Year - it was not available at the December award party. AAC Jr shared his and MacKenzi's experience at the June 3 Cars and Coffee. It's held every first Sunday of the month at the Donut Bank on Green River Road and the Expressway. It is very well attended; so much so, he's finding it difficult to talk to a maximum number of attendees. He's wondering if it would be better to have a place at the event - like a table and/or tent - to attract people. Pit Stop is in the USPS and will soon be available on the website. There was a recent problem with our website provider which caused Paul Blavlock and Richard to re-enter points and items on the website. It is being corrected presently.

MacKenzi asked for ideas/advice on potential trophies for the Ladies-only autocross. While the club's standard trophies are available, it seems fitting to have special awards for this unique event. MacKenzi was authorized to purchase unique trophies for the event and turn in her receipts to Bob for reimbursement. She also consulted the board for ideas on duties/job description for her and Dawn's positions. Paul Dornburg noted that he had not yet made the Bylaws and Officers' Duties list, updated last year, available for publication on the website. He will send them to Richard shortly, and copy MacKenzi. Dave encouraged Dawn and MacKenzi to start a list of goals as a starting point for group discussion. Dawn reported that she has so far raised \$30 for the Ladies' Fund from the sale of car number magnets. She wanted to know if the club had a SCCA banner: a Women on Track banner is available from SCCA. Are we interested? Yes. Bob was authorized to purchase said banner, provided the cost is reasonable. Dave has

prepared a flyer for the Ladies' autocross, which is available electronically and in hardcopy.

In old business, recent events were reviewed:

Paul Dornburg's Ice Cream Rally on May 6 was well attended, with lots of folks new to rally. He needed to revise his calculations in the end, as he missed a change in cast in his notes.

Dave's Test and Tune and Autocross on May 19 and 20 went smoothly. While the Test and Tune was not heavily attended, those who participated took advantage of the ability to tweak settings and push limits. Early Friday setup made preparatory work easy, but the course did need to be re-chalked after the rain. The paper numbers worked pretty well, although the rain did present a challenge - perhaps they could be laminated or put in sleeves. Bob Rothermel's Round and Around rally on June 3 was contested by 11 cars, about half of which were guests! Unfortunately, a main road rule mistake in the first leg and a subsequent mistake in a later leg made it impossible to complete or score the rally. Bob Sonntag will run the route with Bob later this week and try to figure out what went wrong. As the rally ended early with no results available, do we need to add another rally to the schedule? No, we are only required 5 events to make the season official.

The new autocross cones have arrived; Bob will work out how to get them to the MAAC.

In new business, MacKenzi reports that the Ladies' and Roller Car-Ster autocrosses for June 9 and 10 are ready to go. About 2 dozen ladies are interested in the Facebook event. Paul Dornburg and Dave plan to set up the course on Friday afternoon, and it appears plenty of men are planning to work the Saturday event. Dave will get the trailer positioned for the June 9/10 events, but will need someone to take care of that task for the July 22 autocross.

As there were no official results from Rally #4, discussion ensued regarding credit for the entrants. On the day, it was decided that all entrants would receive a free entry to the next rally. It was moved, seconded, and agreed (with abstention) to give the Rally masters full credit for the event, workers would receive 2 points, and entrants would also receive 2 points.

Paul Dornburg shared an email from an out-of-town SCCA member whose kids run junior karts. They are interested in running at our events at the MAAC. Paul Dornburg will confirm that the dad is a kart safety steward, and that he is willing to serve in that capacity while his kids run. Perhaps he would be willing to share information with Jr on karting.

Bob reported that there has been a change to the weekend membership forms; however, new copies are not yet available, and we very recently obtained a supply of the old forms. Until we receive the new forms, we will adapt our current stock by not filling in the referral credit portion.

It doesn't seem that there has been a great deal of email traffic concerning events. Dave reported he has been sending them, and the Facebook events are being shared. Paul Dornburg will send a few extra emails prior to next week's membership meeting, as well as a follow-up email regarding Rally #4.

Dave and MacKenzi spoke briefly about the childcare issue. In the club's experience, one adult usually has stayed home with children while the other competes. If there were an on site place to corral kids, would it be feasible to have one parent's work shift be childcare? The national conversation currently is looking into a kids center that would be staffed by other drivers/parents. What could SIR do? No decisions were made, and the discussion is expected to continue at following meetings. The board is open to ideas.

In closing, the Blaylocks thanked Jr. Crowe and Paul Dornburg for filling in for them next week, as they will be absent from the membership meeting. Dave confirmed that all were fine with the next board meeting date, July 3, being the day before a holiday.

As there was no further business, the meeting adjourned.

SIR SCCA Membership Meeting June 12, 2018

Assistant Regional Executive Richard Grav welcomed all to the meeting in the absence of RE Dave Lehrschall who had family visitors. The reading of the minutes was dispensed with upon motion and second. Treasurer Bob Sonntag shared that we have money and most bills were paid. Paul Dornburg reminded all that Pit Stop articles are welcome from all and should be submitted by the 4th Wednesday of the month. Activities group reported that there are 2 autocrosses in July. Ernie Roales will marshal the "Quick & Dirty Ver. 7.18" on the 1st while Jeff Metz will marshal his first autocross on the 22nd. Assistant activities chair Jr. Crowe reports he is still recruiting members. Dawn Sturgeon, SIR Women on Track Committee Chair, thanked the men of SIR for their help at the Ladies Autocross.

It was time for trophies and they were handed out for the Dornburg "Ice Cream Rally". Special awards were presented to the team of Ernie Roales and Larry Pearsall and Jr. and Jeremey Crowe. Each time scored a 0 on one leg of the rally and were awarded with Zero candy bars. Jr. Crowe then handed out trophies for the "Steady Wheel" autocross.

In Old Business Bob Rothermel thanked everyone for attending his "Round & Around" rally. He apologized for the problems and hopes all will return for his next rally. (of course we will) Last week Bob Sonntag went through the rally instructions with Bob and offered suggestions to improve it.

Jr Crowe won the door prize, AGAIN! As there was no further business, the meeting adjourned

Notes: The times reflect any 2 second penalty per pylon; the pylon count is shown in the penalty column.

Where possible, DNF runs show the raw time.

Class results are by single best run. Because weather cut the event short, autocross points based on the competitor's single best run.

B: Driver in SIR/SCCA bonus program. The driver's best three of four runs of each heat are shown in these results.

T: Trophy winner.

SPORTS CAR CLUB OF AMERICA

SCCA: A club with many interests

Many faceted in its endeavors, the Sports Car Club of America (SCCA) might best be described as a service organization. It serves over 50,000 members throughout the United States by sanctioning and administering a variety of automotive related activities through more than 115 independently chartered regions. No other single motor sports organization in the world conducts more events than the SCCA. These events range from amateur and professional road racing to road rallies, autocrosses, rally crosses, hill climbs and auto shows. The SCCA is an ever-growing organization for the automotive enthusiast. Because the SCCA is member oriented, the club stresses participation on a broad basis. Regardless of your experience or background, if you are an automotive enthusiast there is a place for you in the SCCA. The avenues available range from amateur or professional road race driver to weekend rally or autocross driver to race worker or official. In order to successfully sanction and conduct a comprehensive autocross/rally/road racing program many experts in timing and scoring, communications, safety inspection, medical, flagging, course/race control and other skills are needed. Schools are held to train the drivers and workers and various degrees of licenses are awarded based on knowledge, ability and experience.
