July REport

I have been sitting at my computer just looking at the screen trying to decide how I want to address this issue. As many of you know questions were brought up concerning how we ran the Women's Autocross and then ran Autocross #2 the following day. For the past three (3) years I have planned the Women's Autocross course which in turn is the following day's Autocross course. The gentleman that have come to help at the Women's Autocross have always got to do a few fun runs, if time allows, at the end of the first day. It is SIR's way to thank our workers for helping out. With that being said, I personally had no idea that this in anyway was violating any type of rule. This was just our routine, and nothing had ever been pointed out any different. Please note for future events the course will be different from one day to the next. I appreciate the members' concerns and issues and the club wants to know them and rectify them.

Now, the way the concerns were brought to light was completely inappropriate. If any member has issues or concerns please send the board an email, call one of us, talk to one of us, present it at a board meeting, or present it at a membership meeting. Do not post things on social media to get out your frustrations. As a member and a part of this club there are protocols to follow that are in place to voice issues, concerns, and frustrations. Our club and members of our club should not have to worry about being criticized online by uninformed individuals.

We have good people in our club and no one in this club would ever do something with malice intent. Mistakes happen. As a club we can own our mistakes. However, like in this situation, if something was said prior to the event occurring we could have rearranged some things to rectify the mistake. That was not done here. We were not given the opportunity to correct the mistake. Instead the club was put under fire on social media.

This is the last I will address this issue and I hope that the club can move forward as one (1) cohesive unit. My hopes are that the rest of the season is smooth sailing. The whole point of Autocross is to have fun, so let's have fun.

I hope to see everyone at our next meeting which will be held at Smitty's Italian Steakhouse in Evansville on Tuesday, July 9, 2019. We'll gather and begin eating around 6:30, and then start the meeting at about 7:30 PM (Central).

SIR SCCA – No Board of Directors Meeting this month

SIR SCCA

Membership Meeting

June 11, 2019

Regional Executive MacKenzi Payne-Crowe called the meeting to order at 7:30 pm and welcomed all to Smitty's. New members Dean, Courtney and Gabriel Fehribach were welcomed to the club. They are from Ferdinand and joined the SCCA and our region in May. Marc Boerner introduced his parents, Mark and Sue. Activity Chair Paul Blaylock is on a train ride with his lovely wife, club secretary Lora, and will return next week. In the meantime, Paul Dornburg is attempting to keep the meeting notes. Assistant activities chair Jr. Crow was happy to be there. The Pit Stop editor asked that newsletter submissions be submitted by Wednesday, June 26th. Treasurer Bob Sonntag reported that last month we took in more than we spent, and the club's treasury is in good shape. The reading of the minutes was dispensed with upon motion and second. Assistant Regional Executive Mike Mounlio had nothing to report. Advisor Dave Lehrsall had nothing to report.

Regional Executive MacKenzi Payne-Crowe reported that there was a Facebook posting that was very upsetting to her. She had considered resigning but decided not to. She will persevere!

Awards were handed out for the Ice Cream Rally. The team of Terry Davis and Bob Sonntag received the A class 1st place trophy while Jeremy and Jr. Crowe received the B class 1st place trophy.

Dave Lehrsall handed out class trophies for his "Your Turn" autocross.

Members were reminded of the upcoming events:

- Street Survival school at Jasper Engine and Transmission on Saturday, June 15th.
- Porsche club autocross on Saturday, June 22nd (event has been since canceled)
- Autocross #3, "Quick & Dirty ver. 7.19" will be on Sunday July 7th on a course designed by Ernie Roales.
- Autocross #4 will be on Sunday July 21st on a Jeremy Crowe designed course

Paul Dornburg reminded everyone about the upcoming Owensboro Motorsports Festival, August 3rd and 4th. Saturday will feature a static display and Sunday a short rally and ride-along autocross exhibition. Paul will need help with the rally and autocross.

Paul also asked everyone to please read and understand the waivers process as described in the June Pit Stop.

The Tire Rack link on our website, sirscca.org, was explained. People are encouraged to click on it before going to the Tire Rack site for a purchase. The club receives a commission on each sale that begins with a click on our link to the Tire Rack site.

The drawing for the door prize took 8 attempts before Courtney Fehribach won the prize. The meeting adjourned at 8:10 pm.

News and Notes:

- The Kentucky region is going to put on another Street Survival event at Jasper Engines & Transmissions in Jasper, Indiana. Jasper is in our region, not Kentucky's, but we told them it would be okay for them to hold the event there. We said we'd help out, so think about helping out on Saturday, July 20th. Contact Paul Dornburg at pitstop@sirscca.org for more information and to volunteer.

- On Saturday June 22nd we did not put on an autocross for the Southern Indiana Region of the Porsche Club of America as we had hoped. We needed at least 30 PCA members would commit to this event but when only 15 said they would participate the event was cancelled. It would have been a nice fund raiser for our club. Maybe next year.
- Don't forget about the Tire Rack® link on our website. When you are buying anything Tire Rack® sells you need to use the link on our website as the first step. Click here to go to the page: <http://www.sirscca.org/tire-rack/> When you use this link we, the club, get a commision on the sale. It doesn't matter what you buy from Tire Rack® we get a commision on it so use the link. It can also be found on our website by clicking on the Sponsors link in the right side of the menu bar.
- The first weekend of August is the Owensboro-Daviess County Motorsports Festival and we are going to be involved. On Saturday August 3rd, 10 am to 3 pm, we will be displaying our cars and talking SCCA at the Owensboro Sports Center. Sunday we'll put on a road rally for 30 cars starting at Windy Hollow restaurant on KY81. The rally route will end at Kentucky Motor Speedway where we will put on an autocross ride along exhibition. We'll need volunteers to work two rally checkpoints and 8-12 drivers and cars for the autocross demo. Send an email to Paul Dornburg at pitstop@sirscca.org if you can help out. Besides what we are doing there is a race at Windy Hollow dirt track Friday night, the first Saturday monthly downtown Owensboro car show, a no-prep drag race at Windy Hollow Dragway Saturday night and a full card of races at Kentucky Motor Speedway Sunday night after our exhibition. We really need volunteers to help us out with this weekend so let Paul know if you will help out.

SPORTS CAR CLUB OF AMERICA

SCCA: A club with many interests

Many faceted in its endeavors, the Sports Car Club of America (SCCA) might best be described as a service organization. It serves over 50,000 members throughout the United States by sanctioning and administering a variety of automotive related activities through more than 115 independently chartered regions. No other single motor sports organization in the world conducts more events than the SCCA. These events range from amateur and professional road racing to road rallies, autocrosses, rally crosses, hill climbs and auto shows. The SCCA is an ever-growing organization for the automotive enthusiast. Because the SCCA is member oriented, the club stresses participation on a broad basis. Regardless of your experience or background, if you are an automotive enthusiast there is a place for you in the SCCA. The avenues available range from amateur or professional road race driver to weekend rally or autocross driver to race worker or official. In order to successfully sanction and conduct a comprehensive autocross/rally/road racing program many experts in timing and scoring, communications, safety inspection, medical, flagging, course/race control and other skills are needed. Schools are held to train the drivers and workers and various degrees of licenses are awarded based on knowledge, ability and experience.
