September RE Report

Where is the time going? We are over the halfway point of our competitive seasons here in SIR. We got a couple on their way to the SOLO Nationals out in Lincoln Nebraska, and others just trying to stay on top here at home. I want to wish Jon Schwartz and Joel Wasser the best of luck at the Nationals this year.

Speaking of Jon, he had some new tires at the last autocross, and I don't think he was excited about the set up. He and I talked about running the different brands front to back and it seemed like a

great idea at first. Unfortunately, it didn't seem like it performed like he had expected, and I was finally able to take away the top honors from him. It will be short lived I am afraid because he will figure out his set up. Our last autocross track I think had some mixed emotions when we were walking it out and setting it up. From what I was hearing after the event most folks really enjoyed the totally different design that MacKenzi had come up with. I don't recall in my 15 years ever having to full loops in one course good job Kenzi.

Our next autocrosses are September 14th, September 28th, October 5th, and the next rally is October 19th. We also have plenty of board meetings which anyone can attend, and our membership meetings as well. I am really looking for some feedback from the membership on what we can do to attract more attendance. Main thing I have heard is the location. Smitty's has always been good to us but maybe we should entertain another venue sometime??? Reach out to me with your thoughts and opinions on how to get our attendance up.

I hope to see everyone soon at some type of event. Enjoy the weather!! JR.

Annual Waivers

The SIR BoD encourages each SCCA member to get his or her free annual waiver. To help "motivate" SIR members to do that, we charge SIR members using an event SpeedWaiver an extra \$5. We have also stopped using the paper event waiver.

Here's the step-by-step process in a slightly different form than is typically at the end of each edition of <u>Pit Stop</u>.

- 1) Have a reasonable picture of your face ready to upload from the device you use to get your annual waiver. Your full face must be visible. No helmet, no dark glasses, no mask, etc.
- 2) Log into my.scca.com.
- 3) On a PC, mouse over the "Online Store" on the menu line. It's two in from the right.

 On a smart phone, expand the menu, then expand the "Online Store" option. It's two up from the bottom of the list.
- 4) Select the "License & Waivers" option.
- 5) Add the "Annual Waiver Adult" option to the cart.
- 6) Follow the instructions on the screen AND remember to follow through on the checkout process.
 - o I'da listed those steps too but I can't get a second annual waiver. (Sorry.)
- 7) There is a "real-person" review (mostly to check pictures) that happens in the SCCA office. If you've completed your side of the process outside of SCCA office hours, there will be at least a day's delay in the issuance of the annual waiver. There are no annual waivers left in a pre-review state by the end of business on Fridays.

This also seems like a good time mention that the SCCA Minor Event waiver is now available only online and requires support from the SCCA staff. Thus, there is no way to get a minor waiver on a weekend. Plan accordingly. The process begins with steps 1 through 4 above.

Rookie Percent

A traveling "Rookie Trophy" will be awarded to the new member attaining the highest point average during his or her first year of competition. The "year" for rookie points runs from June through November. The Rookie of the Year award is presented to the member earning the greatest percentage of Berry Points in the member's first full calendar year of SCCA

membership while seventeen years of age or older. Berry Points reflect participation and performance and cover all of our club's activities. Those that join the Southern Indiana region in the last half of the year (July through December) are considered rookies in the following calendar year. New members are encouraged to enter events and gain some experience prior to their rookie "year."

The highest point average will be calculated by dividing the total number of Participation and Event points (Berry Points) accumulated by the rookie by the number of point events and meetings in which the new member was eligible to participate. To be eligible, a new member must have been able to compete in at least four (4) point competition events. New members not meeting this requirement will be considered "rookies" for the following calendar year. Points shall be accumulated according to Section II paragraph C of the SIR Competition Regulations.

TLDR

- GET AN ANNUAL <u>WAIVER</u>!!! 72 members have their 2025 waiver, You don't have to be an SCCA member to get an annual waiver.
- If you have an annual waiver you don't need to execute the SpeedWaiver. They are one in the same. If you forget to select "No" in the waiver area of the MSR application, just ignore the text message you will get.
- Solo Safety Steward Training is available online. Follow this link: Solo Safety Steward Training and sign up. We always need Solo Safety Stewards. At some autocrosses last year, we only had 2 available SSS. We need more!
- Solo Course Designer Training is now available. In 2026 you will need to complete this course in order to design an autocross course. More information here: <u>SCCA Course</u> <u>Design</u>
- h Hurm 0 2 0 0 0 0 0 2 On our website, sirscca.org, clicking on the red Calendar icon at the top of the page will take you to a page that has all our competition events listed with an icon that will take you to the registration site, MotorSportReg.com.
- Jon Schwartze and Joel Wasser are attending the 2025 Solo Nationals. We hope to get a Nationals report from them at the September Club meeting.

For Sale: Jimmy Wooldridge Datsun.

It has been some time since I have chimed in to the group - but I wanted to share that I believe it is time to find the next custodian of my 1971 Datsun 510. There is a lot that could be said of this car and a lot of you probably know quite a bit of the history to it already. I have made a dedicated page for the car on my own website with images and as many details as possible. The link is below.

Please feel free to share or reach out. It would be fastest to email me through the website form, the email below, or feel free to send me a text at the listed number (but please let me know if you heard about it via SIR)

SPORTS CAR CLUB OF AMERICA

SCCA: A club with many interests

Many faceted in its endeavors, the Sports Car Club of America (SCCA) might best be described as a service organization. It serves over 50,000 members throughout the United States by sanctioning and administering a variety of automotive related activities through more than 115 independently chartered regions. No other single motor sports organization in the world conducts more events than the SCCA. These events range from amateur and professional road racing to road rallys, autocrosses, rally crosses, hill climbs and auto shows. The SCCA is an ever-growing organization for automotive enthusiasts. Because the SCCA is member oriented, the club stresses participation on a broad basis. Regardless of your experience or background, if you are an automotive enthusiast there is a place for you in the SCCA. The avenues available range from amateur or professional road race driver to weekend rally or autocross driver to race worker or official. In order to successfully sanction and conduct a comprehensive autocross/rally/road racing program many experts in timing and scoring, communications, safety inspection, medical, flagging, course/race control and other skills are needed. Schools are held to train drivers and workers and various degrees of licenses are awarded based on knowledge, ability, and experience.
