Notes: The times reflect any 2 second penalty per pylon; the pylon count is shown in the penalty column.

Where possible, DNF runs show the raw time.

Class results are by single best run. Because weather cut the event short, autocross points based on the competitor's single best run.

B: Driver in SIR/SCCA bonus program. The driver's best three of four runs of each heat are shown in these results.

T: Trophy winner.
