Notes: The times reflect any 2 second penalty per pylon; the pylon count is shown in the penalty column.

In instances where there were would have been no times for the second set of runs because of DNF/DNS runs, times were created by adding 2 non-indexed seconds to the competitor's slowest run time.

Where possible, DNF/DSQ runs show the raw time.

Class results are by single best run. Autocross points are by indexing the combined best first heat run and the best second heat run.

T: Trophy winner.
