Notes: The times reflect any 2 second penalty per pylon; the pylon count is shown in the penalty column.

In instances where there were would have been no times for the first or second set of runs because of DNF/DNS runs, times were created by adding 2 non-indexed seconds to the competitor's slowest run time.

Where possible, DNF/DSQ runs show the raw time.

Class results are by single best run. Autocross points are by indexing the driver's combined best first heat run and the best second heat run.

T: Trophy winner.
