Notes The times reflect any 2 second penalty per pylon; the pylon count is shown in the penalty column.

In instances where there were would have been no times for the second set of runs because of DNS runs, times were created by adding 2 seconds to the competitor's slowest run time.

Where possible, DNF runs show the raw time.

B: Bonus eligible driver. The driver's best three of four runs of each heat are shown in these results.
