Notes: The times reflect any 2 second penalty per pylon; the pylon count is shown in the penalty column.

In instances where there were would have been no times for the second set of runs because of DNS runs, times were created by adding 2 seconds to the competitor's slowest run time.

Autocross Points

Opening Bookend
Mid-American Air Center
Bob Sonntag

May 29, 2010

Where possible DNF runs show the raw time.
