Notes: The times reflect any 2 second penalty per pylon; the pylon count is shown in the penalty column.

In instances where there would have been no times for the second set of runs because of DNS runs, times were created by adding 2 seconds to the competitor's slowest run time.

Where possible DNF runs show the raw time.

Gene Young's 87.028 is the top time in the Street Tire Division. William Knight is also shown with 1000 points because of the closeness of his time to Gene's and rounding in the Autocross Points calculation.
