# Understanding the ECE 22.05 certification label

(United Nations Economic Commission for Europe, Regulation 22, 2005)

(Also known as ECE 22.05 or ECE R22.05)

05300140/P-010

- A circle surrounding the letter "E" followed by the distinguishing number of the country which has granted approval. *(The actual number in the circle after the "E" is not relevant for safety/tech inspection purposes.)*
- The approval number (1<sup>st</sup> two digits at present "05" for the year 2005) followed by:
- A dash and symbol:
  - "J" if the helmet does not have a lower face cover (open face),
  - "P" if the helmet has a protective lower face cover (full face), or
  - "NP" if the helmet has a non-protective lower face cover.
- A dash followed by a production serial number.

This will likely be a sewn-in fabric label inside the helmet.

These are NOT certification labels:
